TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** (“Assignment”), dated as of May 28, 2021, is by and between **Yost Vises, LLC**, a Michigan limited liability company (“Assignor”) and **Eastwood Automotive Group, LLC**, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor is the owner of certain rights, title and interests in and to the trademark, and is the applicant with respect to the trademark application set forth on the attached Schedule A for such trademark, as well as all of the goodwill of the business symbolized thereby and associated therewith (the “Trademark”);

WHEREAS, Assignor and Assignee are parties to a certain Asset Purchase Agreement (“Purchase Agreement”), dated as of the date hereof, pursuant to which Assignor has assigned, or agreed to assign, to Assignor certain assets of Assignor, including the Trademark; and

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby irrevocably sells, conveys, assigns, transfers and delivers to Assignee all right, title and interest in and to the Trademark, whether statutory or at common law, together with the goodwill of the business symbolized by the Trademark, and any royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to the foregoing; along with the right to sue and recover for, and the right to profits, penalties, damages or other payments due or accrued arising out of or in connection with, any and all past, present and future infringements or dilution of or damage or injury to the Trademark or such represented goodwill.

Assignor agrees to execute and deliver at the request of Assignee, all papers, instruments and assignments, and to perform other reasonable acts the Assignee may require in order to vest all Assignor’s right, title and interest in and to the Trademark in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee, to the extent such evidence is in the possession or control of such Assignor.

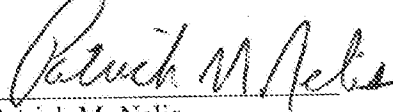

Nothing contained herein does, or is intended to, amend, modify or in any way expand any provisions set forth in the Purchase Agreement, including (without limitation) the representations, warranties, covenants, and agreements set forth in the Purchase Agreement, this Assignment being intended only to effect the transfer and assignment by Assignor to Assignee of the Trademark.
