name of the Borrower, then notwithstanding any such registration such Intellectual Property is the sole property of Borrower and is registered as a matter of convenience only in the name of EH Media (sic "EH Publishing") and is subject to Section 5.1 of the Management Services Agreement. After the date hereof, Borrower shall (i) confirm that all future Intellectual Property is registered in its sole name, and (ii) promptly after written request from the Lender revise any existing Intellectual Property into the sole name of Borrower.

Notwithstanding the foregoing, so long as no Material Adverse Effect would reasonably be expected to result therefrom, Debtor shall not have an obligation to use or to maintain (i) the Copyrights, or (ii) any Intellectual Property (A) that relates solely to any product or service, that has been discontinued, abandoned or terminated or (B) that has been replaced with Intellectual Property substantially similar to the Intellectual Property that may be abandoned or otherwise become invalid, so long as the failure to use or maintain such Intellectual Property does not materially adversely affect the validity of such replacement Intellectual Property and so long as such replacement Intellectual Property is subject to the lien created by this Agreement.

4. DEBTOR'S REPRESENTATIONS AND WARRANTIES: Debtor represents and warrants that:

(a) Exhibit A is a true, correct and complete list of all Copyrights and Copyright Licenses owned by Debtor as of the date hereof.

(b) Exhibit B is a true, correct and complete list of all Patents and Patent Licenses owned by Debtor as of the date hereof.

(c) Exhibit C is a true, correct and complete list of all Trademarks and Trademark Licenses owned by Debtor as of the date hereof

(e) All IP Collateral owned by Debtor is, and shall remain, free and clear of all liens,

encumbrances, or security interests in favor of any Person, other than liens in favor of the Lender and such other liens, claims and encumbrances as maybe permitted by the Credit Agreement or by Lender in its sole and absolute discretion from time to time in writing. Within five business days after the date hereof, Debtor will file, or cause to be filed, terminations of all prior grants or assignments of any security interests in the Collateral previously granted to any prior lender to Debtor or to its sole member Peerless Holdco, LLC, a Massachusetts limited liability company (including but not limited to any re-assignments of any assignments previously filed with the PTO)

(f) Debtor owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. No material claim has been asserted and is pending by any Person challenging or questioning the use by Debtor of any of its Intellectual Property or the validity or effectiveness of any of its Intellectual Property, nor does Debtor know of any valid basis for any such claim. To the knowledge of Debtor, the use by Debtor of the Intellectual Property does not infringe the rights of any Person. No holding, decision or judgment has been rendered by any governmental authority which would limit, cancel or question the validity of, or Debtor's rights in, any Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect on the business or the property of Debtor.

(g) Debtor shall give Lender written notice (with reasonable detail) within ten (10) days following the occurrence of any of the following: (i) Debtor's obtaining rights to, and filing applications for registration of, any new Intellectual Property, or otherwise acquiring ownership of any newly registered Intellectual Property (other than Debtor's right to sell products containing the trademarks of others in the ordinary course of Debtor's business), (ii) Debtor's becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor (other than Debtor's right to sell products containing the trademarks of others in the ordinary course of Debtor's business), (iii) Debtor's entering into any new Licenses, or (iv) Debtor's knowing or having reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the PTO, the Copyright Office or any court or tribunal) regarding Debtor's ownership of, or the validity of, any material Intellectual Property or Debtor's right to register the same or to own and maintain the same. As of the date hereof, "material" Intellectual Property includes, but is not limited to, the URLs listed on Exhibit A and the Trademarks listed on Exhibit C.

5. AGREEMENT APPLIES TO FUTURE INTELLECTUAL PROPERTY:

(a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in subsections (i), (ii) and (iii) of Section 4(g), above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement.

(b) Upon the reasonable request of Lender, Debtor shall execute and deliver, and have

recorded, any and all agreements, instruments, documents and papers as Lender may request to evidence Lender's first priority security interest in any Copyright, Patent or Trademark and the goodwill and General Intangibles of Debtor relating thereto or represented thereby (including, without limitation, filings with the PTO, the Copyright Office or any similar office), and Debtor hereby constitutes Lender as its attorney-in-fact to execute and file all such writings (including in the name of Debtor) for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; provided, however, Lender's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

6. **DEBTOR'S RIGHTS TO ENFORCE INTELLECTUAL PROPERTY:** Prior to Lender's giving of notice to Debtor following the occurrence of an Event of Default, Debtor shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property including the right to seek injunctions and/or money damages, in an effort by Debtor to protect the Intellectual Property against encroachment by third parties, provided, however:

(a) Debtor first provides Lender with written notice of Debtor's intention to so sue for enforcement of any Intellectual Property.

(b) Any money damages awarded or received by Debtor on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(c) Following the occurrence of any Event of Default which has not been waived by Lender or cured to Lender's reasonable satisfaction, Lender, by notice to Debtor, may terminate or limit Debtor's rights under this Section 6.

7. **LENDER'S ACTIONS TO PROTECT INTELLECTUAL PROPERTY:** In the event of

(a) Debtor's failure, within five (5) days of written notice from Lender, to cure any failure by Debtor to observe or perform any of Debtor's covenants, agreements or other obligations hereunder; and/or

(b) The continuance of any other Event of Default which has not been waived by Lender or cured to Lender's reasonable satisfaction,

Lender, acting in its own name or in that of Debtor, may (but shall not be required to) act in Debtor's place and stead and/or in Lender's own right in connection therewith.

8. **RIGHTS UPON DEFAULT:** Upon the occurrence of any Event of Default which has not been waived by Lender or cured to Lender's reasonable satisfaction, in addition to all of the other rights and remedies provided to Lender in the Credit Agreement with respect to the Collateral, Lender may exercise all rights and remedies of a secured party upon default under the Uniform

Commercial Code as adopted in the Commonwealth of Massachusetts, with respect to the IP Collateral, in addition to which Lender may sell, license, assign, transfer, or otherwise dispose of the Intellectual Property. Any person may conclusively rely upon an affidavit of an officer of the Lender that an Event of Default has occurred and that Lender is authorized to exercise such rights and remedies.

9. LENDER AS ATTORNEY IN FACT:

(a) Debtor hereby irrevocably constitutes and designates Lender as and for Debtor's attorney in fact with full power of substitution, which Lender will not exercise until the occurrence of any Event of Default which has not been expressly waived by Lender in writing or cured to Lender's reasonable satisfaction: (i) to supplement and amend from time to time Exhibits A, B and C of this Agreement to include any new or additional Intellectual Property of Debtor, (ii) to exercise any of the rights and powers referenced herein, (iii) to execute and file in the name of the Debtor or Lender all such instruments, documents, and papers as Lender reasonably determines to be appropriate in connection with the exercise of such rights and remedies and to cause the transfer, sale, license, assignment, transfer, or other disposition of the Intellectual Property. Debtor further authorizes Lender (or its designees) to file any and all financing statements, amendments and extensions thereof and other similar filings or public records or notices relating to the perfection of security interests, and amendments thereto relating to the Collateral which the Lender deems appropriate, in form and substance required by the Lender. Notwithstanding the foregoing, Debtor further agrees to execute and deliver promptly any additional documents which Lender may require in order to confirm this power of attorney, or which Lender may deem necessary to enforce any of its rights contained in this Agreement.

(b) The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of Lender.

(c) Lender shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 9(a), but if Lender elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to Debtor for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding Lender has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been grossly negligent or in actual bad faith.

10. LENDER'S RIGHTS:

(a) Any use by Lender of the Intellectual Property, as authorized hereunder in connection with the exercise of Lender's rights and remedies under this Agreement and under the Credit Agreement shall be coextensive with Lender's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

(b) None of this Agreement, the Credit Agreement, or any act, omission, or circumstance taken or arising hereunder may be construed as directly or indirectly conveying to Lender any present right, title or interest in and to the Intellectual Property, which right, title and interest is effective only following the occurrence of any Event of Default which has not been waived by Lender or cured to Lender's reasonable satisfaction.

11. INTENT: This Agreement is being executed and delivered by Debtor for the purpose of registering and confirming the grant of the security interest of Lender in the IP Collateral with the PTO and the Copyright Office. It is intended that the security interest granted pursuant to this Agreement is granted as a supplement to, and not in limitation of the security interest granted to Lender under the Credit Agreement. All provisions of the Credit Agreement shall apply to the IP Collateral. Lender shall have the same rights, remedies, powers, privileges and discretions with respect to the security interests created in the IP Collateral as in all other Collateral. In the event of a conflict between this Agreement and the Credit Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the Credit Agreement with respect to all other Collateral.

12. CHOICE OF LAWS: It is intended that this Agreement take effect as a sealed instrument and that all rights and obligations hereunder, including matters of construction, validity, and performance, shall be governed by the laws of the Commonwealth of Massachusetts, without regard for the conflicts of laws provisions therein.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, Debtor and Lender respectively have caused this Agreement to be executed by their respective duly authorized officers as of the date first above written.
