WHEREAS, Assignee desires to acquire from Assignor, and Assignor desires to transfer, assign and convey to Assignee, all of Assignor's right, title, and interest in and to the Trademarks, including, without limitation, the right to sue for past, present and future infringement thereof, on the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the foregoing premises (which constitute an integral part of this Assignment) and of the mutual covenants and agreements contained herein, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. Assignment. Assignor did and hereby does assign, convey and transfer to Assignee, its successors and permitted assigns, all of Assignor's right, title and interest, in and to the Trademarks in the United States and all foreign jurisdictions, including all trademark applications and registrations therefor both foreign and domestic, any common law rights to such Trademarks, all goodwill of the business symbolized by the Trademarks, as well as all claims and causes of action against third parties for any and all past infringements of the rights being assigned, and the right to collect and retain any proceeds therefrom; the aforesaid transferred rights, title and interests to be held and enjoyed by Assignee, its successors, and permitted assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. Representations and Warranties.

a. Each Party represents and warrants to the other Party that (i) such Party is duly organized, validly existing, and in good standing under the laws of the jurisdiction of its formation; (ii) such Party has full power and authority to enter into this Assignment and to perform its obligations hereunder; (iii) the execution, delivery and performance by each Party of this Assignment does not and will not conflict with any organizational document of such Party, any judgment, order, decree or law applicable to such Party or its assets, or any contract or other instrument to which such party or its assets is bound; and (iv) this Assignment is a legal, valid and binding obligation of such Party, enforceable against such Party in accordance with its terms,
