(i) Grantor (either itself or through licensees) will continue to use the Trademarks in connection with each and every trademark class of goods or services applicable to its current line of products or services as reflected in its current catalogs, brochures, price lists, or similar materials in order to maintain such Trademarks in full force and effect free from any claim of abandonment for nonuse, and Grantor will not (and will not permit any licensee thereof to) do any act or knowingly omit to do any act whereby any such Trademark may become invalidated;

(f) Grantor will keep the Collateral free of all liens, except in favor of Agent;

(g) Grantor will take all necessary steps in any proceeding before the Patent and Trademark Office, the Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, to diligently prosecute or maintain, as applicable, each application and registration of the Patents, Trademarks, and Copyrights, including filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings (except to the extent that dedication, abandonment or invalidation is permitted under this Security Agreement);

(h) during the term of the Credit Agreement, Grantor will:

(i) make application to the Patent and Trademark Office (and assign such application to Agent as security) to register any material unpatented but patentable inventions developed by Grantor or its employees (within the scope of their employment), unless Grantor, in the exercise of its prudent business judgment, deems any such Patent not to have any significant commercial value or determines that its rights thereunder are better preserved as a Trade Secret;

(ii) make application to the Patent and Trademark Office to register any registerable but unregistered material Trademarks used by Grantor in connection with its products or services unless Grantor, in the exercise of its prudent business judgment, deems any such Trademark not to have any significant commercial value or determines that its rights thereunder are better preserved as a Trade Secret; and

(iii) make application to the Copyright Office to register any material unregistered Copyright to which Grantor has rights unless Grantor, in the exercise of its prudent business judgment, deems any such Copyright not to have any significant commercial value or determines that its rights thereunder are better preserved as a Trade Secret;

(i) Grantor will:

(i) use proper statutory notice in connection with its use of the Patents, Trademarks, and Copyrights;

(ii) maintain consistent standards of quality in its manufacture of products sold under the Trademarks or provision of services in connection with the Trademarks; and

(j) Grantor agrees that if it or any Affiliate, learns of any use by any Person of any term or design likely to cause confusion with any Trademark, Grantor will promptly notify Agent of such use and of all steps taken and to be taken to remedy any infringement of any Trademark;

(k) to the extent that Grantor has any material Trade Secrets, Grantor will maintain with each employee who may have access to the Trade Secrets of Grantor an agreement by which such employee agrees not to disclose such Trade Secrets and with each employee who may be the inventor of patentable inventions (invented within the scope of such employee's employment) an invention assignment agreement requiring such employee to assign all rights to such inventions, including patents and patent applications, to Grantor and further requiring such employee to cooperate fully with Grantor, its successors in interest, including Agent, and their counsel, in the prosecution of any patent application or in any litigation involving the invention, whether such cooperation is required during such employee's employment with Grantor or after the termination of such employment; and

(l) Grantor will at all times keep at least one complete set of its records concerning the Collateral at its chief executive office and shall make such records available for inspection by Agent.

5. Authorized Action by Agent.

(a) Agent may, in its Permitted Discretion, pay any amount or do any act required of Grantor under this Security Agreement or requested by Agent to preserve, defend, protect, maintain, record, or enforce Grantor's obligations contained herein, the Secured Obligations, the Collateral, or the right, title, and interest granted Agent by this Security Agreement, and that Grantor fails to do or pay, and any such payment will be deemed an advance by Agent to Grantor and will be payable on demand together with interest at the highest rate then payable on the Secured Obligations.

(b) Grantor agrees to execute and deliver to Agent three originals of a Special Power of Attorney in substantially the form of Attachment III to this Agreement for the implementation of the recording, giving of notice, preservation, assignment, sale, or other disposal of the Collateral pursuant to Paragraphs 2(a), 2(b), 5(a) and 7(a).

(c) Grantor hereby grants to Agent and its employees and agents the right to visit Grantor's business facilities at which Grantor designs, manufactures, sells, and/or distributes products or provides services, which products or services are sold under or provided in connection with any of the Trademarks, and to inspect such products and the quality control records relating thereto or observe the provision of such services.

6. Litigation and Other Proceedings.

(a) Grantor has the right and, if commercially practical, the obligation to commence and diligently prosecute such suits, proceedings, or other actions for infringement or other damage, or reexamination or reissue proceedings, or opposition or cancellation proceedings as are reasonable to protect any of the Patents, Trademarks, Copyrights, or Trade Secrets. No such suit, proceeding, or other actions may be settled or voluntarily dismissed, nor may any party be released or excused of any claims of or liability for infringement, without the prior written consent of Agent, which consent may not be unreasonably withheld.

(b) Upon the occurrence and during the continuation of an Event of Default, Agent will have the right, but not the obligation, to bring suit or institute proceedings in the name of Grantor or Agent to enforce any rights in the Collateral, including any license thereunder, in which event Grantor will, at the request of Agent, do any and all lawful acts and execute any and all documents required by Agent in aid of such enforcement. If Agent elects not to bring suit to enforce any right under the Collateral, including any license thereunder, Grantor agrees to use all reasonable measures, whether by suit, proceeding, or other action, to prevent the infringement of any right under the Collateral by any Person and for that purpose agrees to diligently maintain any action, suit, or proceeding against any Person so infringing necessary to prevent such infringement.

7. Default and Remedies.

(a) Upon the occurrence of an Event of Default under the terms of the Credit Agreement, Agent may, at its option, and (except if otherwise specified below) without notice to or demand on Grantor, and in addition to all rights and remedies available to Agent under the Credit Agreement or the other Loan Documents, do any one or more of the following:

(i) upon ten (10) days prior notice to Grantor, direct Grantor not to make any further use of the Patents, Trademarks (or any mark similar thereto), or the Copyrights (or any work deriving therefrom) for any purpose;

(ii) at any time and from time to time, upon ten (10) days prior notice to Grantor, license, whether general, special, or otherwise, and whether on an exclusive or nonexclusive basis, any of the Patents, Trademarks, or Copyrights, throughout the world for such term or terms, on such conditions, and in such manner, as Agent may in its sole discretion determine;

(iii) at any time and from time to time, enforce (and upon notice to Grantor have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of Grantor in, to and under any one or more license agreements with respect to the Collateral (without assuming any obligations or liability thereunder), and take or refrain from taking any action under any thereof;

(iv) at any time and from time to time, upon ten (10) days prior notice to Grantor, assign, sell, or otherwise dispose of, the Collateral or any of it, either with or without special or other conditions or stipulations, with power to buy the Collateral or any part of it, and with power also to execute assurances, and do all other acts and things for completing the assignment, sale or disposition that Agent may deem appropriate or proper in its sole discretion; and

(v) in addition to the foregoing, in order to implement the assignment, sale, or other disposal of any of the Collateral pursuant to Paragraph 7(a)(iv) above,

Agent may, at any time, pursuant to the authority granted in the Special Power of Attorney executed pursuant to Paragraph 5(b) above, execute and deliver on behalf of Grantor, one or more instruments of assignment of the Patents, Trademarks, or Copyrights (or any application or registration thereof), in form suitable for filing, recording, or registration in any country.

(b) Grantor agrees to pay when due all reasonable costs incurred in any such transfer of the Patents, Trademarks, or Copyrights, including any taxes, fees, and reasonable attorneys' fees and expenses, and all such costs will be added to the Secured Obligations. Agent may apply the proceeds actually received from any such license, assignment, sale, or other disposition to the reasonable costs and expenses thereof, including reasonable attorneys' fees and all legal, travel, and other expenses that may be incurred by Agent, and then to the Secured Obligations, as provided for in the Credit Agreement. Grantor will remain liable and will pay Agent on demand any deficiency remaining, together with interest thereon at a rate equal to the highest rate then payable on the Secured Obligations and the balance of any expenses unpaid. Nothing contained in this Paragraph 7(b) may be construed as requiring Agent to take any such action at any time. In the event of any such license, assignment, sale, or other disposition of the Collateral, or any of it, after the occurrence or continuation as hereinabove provided of an Event of Default, Grantor will supply its know-how and expertise relating to the manufacture and sale of the products bearing or in connection with which the Trademarks, Patents, or Copyrights are used, and its customer lists and other records relating to the Trademarks, Patents, or Copyrights and to the distribution of products or the provisions of services, to Agent or its designee.

8. Indemnification and Release.

(a) Grantor assumes all responsibility and liability arising from the use of the Patents, Trademarks, and Copyrights, and Grantor hereby indemnifies Agent and the Lenders and their respective directors, officers, employees, agents, and any of its Affiliates (collectively, "Indemnitees") against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees and expenses) arising out of or in connection with any alleged infringement of any patent, trademark, service mark, trade name, trade secret, copyright, or mask work of a third party or alleged defect in any product manufactured, promoted, or sold by Grantor (or any Affiliate of Grantor) in connection with any Patent, Trademark, or Copyright, or out of the manufacture, promotion, labeling, sale, or advertisement of any product or service by Grantor (or any Affiliate of Grantor). Grantor agrees that Agent does not assume, nor will Agent have any responsibility for, the payment of any sums due or to become due under any agreement or contract included in the Collateral or the performance of any obligations to be performed under or with respect to any such agreement or contract by Grantor, and Grantor hereby indemnifies each Indemnitee against any and all claims by any Person relating thereto.

(b) Grantor hereby indemnifies each Indemnitee against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees and expenses) arising out of or in connection with: (i) any claim, suit, or proceeding instituted by or against Grantor; (ii) any action taken or omitted to be taken by Agent pursuant to Paragraph 6(b); or (iii) any action taken or omitted to be taken by Agent pursuant to Paragraph 7(a)(iii) with respect to any license agreement of Grantor; *provided, however*, that Grantor will not be required to indemnify any Indemnitee to the extent the such liability arises from the willful misconduct or gross negligence of such Indemnitee.

(c) Grantor hereby releases each Indemnitee from any claims, causes of action, and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Indemnitees, or any of them, under the powers of attorney granted under the Special Power of Attorney executed pursuant to Paragraph 5(b), other than actions taken or omitted to be taken through the gross negligence or willful misconduct of such Indemnitees.

(d) Grantor agrees to cause Agent to be named as an additional insured with respect to any policy of insurance held by Grantor from time to time covering product liability or intellectual property infringement risk.

9. Miscellaneous.

(a) Notices. Except as otherwise provided herein, all notices, requests, demands, consents, instructions, or other communications to or upon Grantor or Agent under this Security Agreement must be made and will be deemed received in accordance with Section 17.1 of the Credit Agreement.

(b) Nonwaiver. No failure or delay on Agent's part in exercising any right under this Security Agreement may operate as a waiver thereof or of any other right nor shall any single or partial exercise of any such right preclude any other further exercise thereof or of any other right.

(c) Amendments and Waivers. Except with respect to action by the Agent pursuant to Paragraph 4(e), this Security Agreement may not be amended or modified, nor may any of its terms be waived, except by written instruments signed by Grantor and Agent. Each waiver or consent under any provision hereof will be effective only in the specific instances and for the purpose for which given.

(d) Assignments. This Security Agreement is binding upon and inures to the benefit of Agent and Grantor and their respective successors and assigns; *provided, however*, that Grantor may not sell, assign, or delegate its rights and obligations under this Security Agreement without the prior written consent of Agent. Any sale, assignment, or delegation by Grantor in contravention of the foregoing will be null and void. Agent may sell, assign, and delegate its rights and obligations under this Security Agreement without restriction.

(e) Cumulative Rights, etc. The rights, powers, and remedies of Agent under this Security Agreement are in addition to all rights, powers, and remedies given to Agent by virtue of any applicable law, rule, or regulation of any Governmental Authority, the Credit Agreement, any other Loan Documents or any other agreement, all of which rights, powers, and remedies are cumulative and may be exercised successively or concurrently without impairing Agent's rights under this Security Agreement. Grantor waives any right to require Agent to proceed against any Person or to exhaust any Collateral or to pursue any remedy in Agent's power.

(f) Payments Free of Taxes, Etc. All payments made by Grantor under this Security Agreement must be made by Grantor free and clear of and without deduction for any and all present and future taxes, levies, charges, deductions, and withholdings. In addition, Grantor must pay upon demand any stamp or other taxes, levies, or charges of any jurisdiction with respect to the execution, delivery, registration, performance, and enforcement of this Security Agreement. Upon request by Agent, Grantor will furnish evidence satisfactory to Agent that all requisite authorizations and approvals by, notices to, and filings with governmental authorities and regulatory bodies have been obtained and made and that all requisite taxes, levies, and charges have been paid.

(g) Partial Invalidity. If any time any provision of this Security Agreement is or becomes illegal, invalid, or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity, or enforceability of the remaining provisions of this Security Agreement nor the legality, validity, or enforceability of such provision under the law of any other jurisdiction will in any

way be affected or impaired thereby.

(h) Governing Law. This Agreement must be construed in accordance with and governed by the laws of the State of California and, where applicable and except as otherwise defined herein, terms used herein shall have the meanings given them in the California Uniform Commercial Code.

(i) Consent to Jurisdiction; Waiver of Jury Trial. The other provisions of Sections 17.15 and 17.16 of the Credit Agreement are incorporated herein, mutatis mutandis, as if a part hereof.
