TRADEMARK ASSIGNMENT

This **Trademark Assignment** is effective April 1, 2021 and is between Healthfinch, LLC, a Delaware limited liability company, the successor of Healthfinch, Inc. ("**Assignor**"), and Health Catalyst, Inc., a Delaware corporation, with an address of 10897 South River Front Parkway #300, South Jordan, UT 84095 ("**Assignee**").

WHEREAS, Assignor and Assignee are parties to an Agreement and Plan of Merger entered into on July 8, 2020 (the "**Merger Agreement**"), pursuant to which Assignee acquired all of the issued and outstanding stock of Assignor, including all right, title, and interest in and to certain trademark assets; and

WHEREAS, in furtherance of the Merger Agreement, Assignor wants to sell, convey, assign, and transfer to Assignee, and Assignee wants to purchase, acquire, receive and accept all of Assignor's right, title and interest in the trademark set forth on Schedule A hereto (the "**Mark**") together with all goodwill of the business symbolized by or associated with the Mark.

The parties therefore agree as follows:

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to Assignee all of Assignor's right, title and interest in the Mark as it exists anywhere in the world and as may be created or acquired at any date in the future, along with any goodwill associated with the Mark. This assignment includes without limitation all applications and registrations for the Mark, all priority rights or claims based on International Conventions, all rights to proceeds of the Mark, including income, royalties, damages, profits, and payments now or hereafter payable, all rights of action of Assignor, and the right to take proceedings and to seek damages and all other available remedies, against third parties for past, present, or future infringement of the Mark.

Assignor shall execute and deliver any other documents and perform any other reasonable acts Assignee may request, that may be necessary and appropriate to effectuate the provisions of this agreement and establish Assignee's rights in the Mark.

At the request and expense of Assignee, Assignor shall provide all reasonable assistance which Assignee considers necessary in connection with bringing or defending any proceedings in relation to the Mark.

Assignee hereby accepts this assignment of the Mark.

Each party has signed this Trademark Assignment effective on the date stated in the introductory clause.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date set out above.
