1. Assignment of Trademarks. Assignor hereby sells, assigns, transfers, and conveys to Assignee all of Assignor’s right, title and interest in and to the Trademarks, together with all goodwill associated therewith and all trademark registrations, applications and renewals in connection therewith, and all claims for profits or damages by reason of past, present or future infringement, dilution or misappropriation of the foregoing, with the right to sue for and collect the same, and the Assignee does hereby accept all of the right, title and interest of Assignor in, to and under all of the foregoing.

2. Recordation.
