On the terms and subject to the conditions set forth in the Asset Purchase Agreement, Assignors hereby sell, convey, transfer, assign, and deliver to Assignee all right, title, and interest of Assignors in and to the Transferred Marks, together with the goodwill of the business in connection with which the Transferred Marks are used, and all registrations and applications therefor and renewals and extensions of the foregoing in the United States and for all foreign countries that are or may be secured under the laws of the United States, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment had not been made, together with all income, royalties, or payments due or payable after the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Transferred Marks, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of Assignee's successors or assigns, and any other rights, privileges, claims, and causes of action relating or pertaining to the Transferred Marks, free and clear of all security interests, mortgages, liens, pledges, conditional sales or lease agreements, charges, claims or encumbrances.

2. Further Assurances. Assignors shall, at the cost and expense of Assignee, timely execute and deliver any additional documents and perform such additional acts reasonably necessary or desirable to record and perfect the interest of Assignee in and to the Transferred Marks, and shall not enter into any agreement in conflict with this Agreement.

3. No Use of Transferred Marks by Assignors.
