Assignor and Assignee are sometimes herein referred to collectively as the “**Parties**” and individually as a “**Party**.”

WHEREAS, Assignee operates a plumbing business, including through the use of the trademarks and trademark applications set forth in Exhibit A hereto (the “**Marks**”); and

WHEREAS, Assignee is the wholly-owned subsidiary of Assignor, and Assignor will benefit from the transactions contemplated in that certain Asset Purchase Agreement, which is contemplated to be entered into by Assignee, E.R. Plumbing Services, LLC, a Delaware limited liability company, and David Parker and Laura Parker (the “**Principals**”), each a North Carolina resident (the “**Purchase Agreement**”).

WHEREAS, in anticipation of Assignee entering into the Purchase Agreement, Assignor desires to assign all right, title and interest in and to the Marks, together with all goodwill arising from or relating thereto, to Assignee, and Assignee desires to acquire same.

NOW, THEREFORE, in consideration of the covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Parties agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers, assigns, and delivers unto Assignee, absolutely and forever, its entire right, title, and interest in the United States and throughout the world, in and to the Marks, whether statutory or at common law, together with all goodwill arising from or related to the business symbolized by the Marks and the portion of Assignor’s Business in connection with which the Marks are used, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its licensees, successors, assigns, and/or other legal representatives, including the right to sue for and receive all damages accruing from past, present and future infringement of the Marks, to be used as fully and entirely as such rights would have been held and enjoyed by each Assignor had this Assignment not been made. Assignor hereby represents and warrants to Assignee that it has the full right to convey the Marks herein assigned and that it has not executed, and covenants that it will not execute, any agreement in conflict with this Assignment.

2. Further Assurances. Assignor hereby agrees to take such actions and execute such documentation as may be required by any domestic or foreign intellectual property registrar or regulatory agency to transfer ownership of the Marks from Assignor to Assignee, at the sole cost and expense of Assignee. Assignor hereby also agrees to execute such further assignments and related documents with respect to the Marks as Assignee shall reasonably request.

3. Unassignable Rights. To the extent any of the Marks cannot presently be assigned under applicable law pursuant to this Assignment, Assignor shall not sell, assign or transfer to any third party or register or use in any manner (except to take necessary steps to obtain registration of unassignable Marks) unassignable Marks or otherwise dispute or challenge Assignee’s or its assignee’s assignment, transfer, sale, registration or use of such unassignable Marks. In the event any such unassignable Marks subsequently become assignable, Assignor shall promptly take all necessary action to assign such Marks to Assignee, upon request thereof (and at the sole cost and expense of) Assignee.
