TRADEMARK SECURITY AGREEMENT dated as of June 28, 2021 (this “Agreement”), among ABM INDUSTRIES INCORPORATED (the “Grantor”) and Bank of America, N.A. (“Bank of America”), as Administrative Agent.

Reference is made to (a) the Credit Agreement dated as of September 1, 2017, (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Grantor, the other Loan Parties from time to time party thereto, the Lenders from time to time party thereto and Bank of America, as Administrative Agent and (b) the Collateral Agreement dated as of September 1, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Grantor, the Subsidiary Loan Parties from time to time party thereto and Bank of America, as Administrative Agent. The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Subsidiary Loan Parties party hereto are Affiliates of the Grantor, will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment in full of the Obligations, the Grantor pursuant to the Collateral Agreement did, and hereby does, grant to the Administrative Agent, its permitted successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by the Grantor or in, to or under which the Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, domain names, global top level domain names, social media identifiers, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar office in any State of the United States of America, all extensions or renewals thereof, and all common law rights related thereto, including, in the case of the Grantor, any of the foregoing set forth under its name on Schedule I, but excluding any “intent-to-use” trademark application filed with the USPTO prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect hereto; and

(b) all goodwill associated therewith or symbolized thereby.

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. The Grantor

hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
