6.1 In addition and without prejudice to the commitments undertaken by the Pledgor under the Sale and Purchase Agreement, the Pledgor shall, except as otherwise permitted under the Financial Documents or where expressly authorised in writing by the Secured Creditors:

- (a) refrain from engaging in any active or omissive conduct that may directly or indirectly prejudice the validity, effectiveness or enforceability of the Pledge;
- (b) at any time, upon reasonable written request by the Secured Creditors giving at least ten (10) Working Days' notice, deliver to the Secured Creditors such documentation relating to the registration and maintenance of registration of each Industrial Property Right as is not already being delivered to the Secured Creditors;
- (c) at its own expense, do all such things as may from time to time be necessary or reasonably required by the Secured Creditors in order to protect each Industrial Property Right against third-party claims and/or preserve the validity of the security interests and other rights of the Secured Creditors created over each Industrial Property Right under this Deed;
- (d) unless authorised in writing by the Secured Creditors, refrain from exercising the rights referred to in article 2795, paragraphs 3 and 4, of the Italian Civil Code; and
- (e) promptly notify the Secured Creditors of any legal action, administrative, judicial, arbitration or similar proceeding instituted or threatened in writing concerning any of the Industrial Property Rights which may be decided unfavourably against the Pledgor.

6.2 The Pledgor undertakes to file - within 120 (one hundred and twenty) Working Days from the Signing Date and from the receipt of the necessary documents duly executed and completed according to the different requirements of the different local regulations - an application for registration of the Name Change with the competent authorities of the countries in which such Name Change has not been subject to registration pursuant to Article 3 (*Conclusion of Pledge*) above, delivering to the Secured Creditors, as soon as possible and in any case within 5 (five) Working Days from the date of receipt of such request, a copy of the documentation supporting the submission of the application for registration of the Name Change and, as soon as available, the documentation issued by the competent offices supporting such registration.

## **7. Effectiveness of the Warranty**

### **7.1 Continuous Warranty**

In deviation from article 1200 of the Italian Civil Code, the Pledge shall remain valid in its entirety notwithstanding any total or partial repayment or fulfilment of the Secured Receivables, until the expiry of the Effective Period.

## **7.2 Cumulative guarantee**

The Pledge is absolute and unconditional, its validity and existence are autonomous, and it is additional to any other personal or collateral guarantee from which the Secured Creditors may, at the present time or subsequently, benefit or come to benefit in relation to all or some of the Secured Receivables.

## **7.3 Waivers**

The delay or failure of the Secured Creditors to exercise any right under this Deed and/or the Sale and Purchase Agreement shall not operate as a waiver thereof, nor shall any single or partial exercise thereof preclude a further or different exercise of the same or any other right.

## **7.4 Unlawfulness, Invalidity, Ineffectiveness**

If, at any time, any provision of this Deed becomes contrary to law, invalid or unenforceable, such contrariness, invalidity or unenforceability shall (subject to the provisions of law) not affect the validity and enforceability of the other provisions of this Deed. Upon the occurrence of any such event, the Pledgor and the Secured Creditors heretofore agree to negotiate in good faith with a view to reaching an agreement on the terms of a provision that has an economic effect as close as possible to that of the unlawful, invalid or ineffective provision.

*[OMISSIS]*

## **8. Termination of Warranty**

8.1 Subsequent to the expiration of the Effective Period, the Pledge shall be irrevocably and unconditionally cancelled in accordance with the provisions of this Deed and, upon request and at the expense of the Pledgor, the Secured Creditors shall sign a deed of cancellation of the Pledge and consent to the registration of such cancellation at the competent Offices, as well as to the performance of any other formality necessary to make the cancellation valid and enforceable against third parties.

8.2 However, this shall be without prejudice to any provisions of the Financial Documents requiring the Secured Creditors to consent to the release of the collaterals granted in respect of the Secured Receivables.

10.2 Any waiver by a Secured Creditor of its rights under this Deed shall not be effective unless communicated in writing.
