### WITNESSETH:

**WHEREAS**, pursuant to that certain Loan and Security Agreement, dated as of June 29, 2021 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Loan Agreement”), by and among Grantor, the other Persons from time to time party thereto as Borrowers (each a “Borrower” and collectively, the “Borrowers”), **ADVANCED RECOVERY SYSTEMS HOLDINGS, LLC**, a Delaware limited liability company (“Parent”), the Subsidiaries of the Parent and Borrowers and the other parties from time to time party thereto as Guarantors (together with Parent, each a “Guarantor” and collectively the “Guarantors”), the several entities from time to time party thereto as lenders (collectively, the “Lenders”), and Administrative Agent, Lenders have agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

**WHEREAS**, the Grantor has granted, pursuant to the Loan Agreement, to Administrative Agent a security interest in all of the Grantor’s Intellectual Property (other than Excluded Property); and

**WHEREAS**, pursuant to the Loan Agreement, the Grantor is required to execute and deliver this Agreement to Administrative Agent, for itself and the ratable benefit of the Lenders, in furtherance of such grant;

**NOW, THEREFORE**, in consideration of the premises and to induce Administrative Agent and Lenders to enter into the Loan Agreement and to induce the Lenders to make their respective extensions of credit to Borrowers thereunder, the Grantor hereby agrees with Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Loan Agreement, and this Agreement shall be subject to the rules of construction set forth in **Section 1.02** of the Loan Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

Section 2. Grant of Security Interest in Intellectual Property Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, hereby grants, pledges, assigns, and hypothecates to Administrative Agent, for itself and the ratable benefit of the Lenders, and grants to Administrative Agent, for itself and the ratable benefit of the Lenders, a continuing first priority Lien on and security interest in, all of its right, title and interest in, to and under any and all of the following Collateral of the Grantor now existing or at any time hereafter owned, acquired, created, generated, or held by the Grantor (collectively, “Intellectual Property Collateral”), provided that, for the avoidance of doubt, the Intellectual Property Collateral shall not include any Excluded Property:

(a) (i) all trademarks, trade names, corporate names, business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature (whether registered or unregistered), all registrations and recordings thereof, and all applications in connection therewith, including all registrations, recordings and applications in the United States Patent and Trademark Office

or in any similar office or agency of the United States, any State or Territory thereof, or any other country or any political subdivision thereof, including those set forth on Exhibit A attached hereto; (ii) all amendments, reissues, extensions or renewals thereof; and (iii) all Goodwill associated with or symbolized by any of the foregoing, now or hereafter existing, created, generated, acquired, or held (collectively, the "Trademarks");

(b) any and all claims for damages by way of past, present or future infringement of any of the rights included above, with the right, but not the obligation, to sue for and to collect such damages for said use or infringement of the intellectual property rights identified above;

(c) all licenses or other rights to use any of the Trademarks and all license fees and royalties arising from such use to the extent permitted by such license or rights; and

(d) all proceeds and products of the foregoing, including license royalties, proceeds of infringement suits, and all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

Section 3. Loan Agreement. The security interest granted pursuant to this Agreement is granted in furtherance of and in conjunction with, and not in limitation of, the security interest granted to Administrative Agent, for itself and the ratable benefit of the Lenders, pursuant to the Loan Agreement and Grantor and Administrative Agent hereby acknowledge and agree that the rights and remedies of Administrative Agent with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. This Agreement is not intended to modify the applicable terms and conditions of the Loan Agreement and to the extent of any conflict between this Agreement and the Loan Agreement, the applicable terms and conditions of the Loan Agreement shall control.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Intellectual Property Collateral.
