US Trademark Security Agreement

US Trademark Security Agreement, dated as of June 30, 2021 (this “Trademark Security Agreement”), by INSTANT BRANDS HOLDINGS INC. (f/k/a CORELLE BRANDS HOLDINGS COMPANY, INC.), a Delaware corporation, CORELLE BRANDS(GHC) LLC, a Delaware limited liability company, CORELLE BRANDS LLC, a Delaware limited liability company and EKCO HOUSEWARES, INC., a Delaware corporation (individually, a “Grantor”, and, collectively, the “Grantors”), in favor of BANK OF AMERICA, N.A., in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the “Collateral Agent”).

W I T N E S S E T H:

Whereas, the Grantors are party to a US Security Agreement dated as of June 30, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

Now, therefore, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent as follows:

Section 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Collateral Agent, for its own benefit and for the benefit of the other Secured Parties, as collateral security for the payment and performance when due of all Secured Obligations, a security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor (collectively, the “Trademark Collateral”):

(a) Trademarks of such Grantor listed on Schedule I attached hereto, together with any and all (i) goodwill associated therewith or symbolized thereby, (ii) extensions and renewals thereof, (iii) income, fees, royalties, damages, claims and payments now or hereafter due and/or payable thereunder and with respect thereto including, without limitation, damages and payments for past, present or future infringements, dilutions, misappropriations or violations thereof, (iv) rights corresponding thereto throughout the world and (v) rights to sue for past, present or future infringements, dilutions, misappropriations or violations thereof; and

(b) all Proceeds of any and all of the foregoing (other than Excluded Property).

Notwithstanding anything to the contrary contained in, and without limiting, clauses (a) and (b) above, the security interest created by this Trademark Security Agreement shall not attach to, and the term “Trademark Collateral” shall not include, any “intent-to-use” applications for trademarks or service marks filed in the United States Patent and Trademark Office (“USPTO”) pursuant to 15 U.S.C. §1051 Section 1(b) unless and until evidence of use of the mark in interstate commerce is submitted to and accepted by the USPTO pursuant to 15 U.S.C. §1051 Section 1(c) or Section 1(d), to the extent, if any, and solely during the period, if any, in which, the grant of a

security interest therein would impair the validity or enforceability of any registration issuing from such application under applicable federal law.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

Section 4. Termination. On the Termination Date or as otherwise set forth in Section 11.5 of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

Section 5. Counterparts; Electronic Signatures. This Trademark Security Agreement may be in the form of an Electronic Record (as defined in the Credit Agreement) and may be executed using Electronic Signatures (as defined in the Credit Agreement) (including, without limitation, facsimile and .pdf) and shall be considered an original, and shall have the same legal effect, validity and enforceability as a paper record. This Trademark Security Agreement may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Trademark Security Agreement. Delivery of a counterpart hereof by facsimile transmission or by e-mail transmission shall be as effective as delivery of a manually executed counterpart hereof. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Collateral Agent of a manually signed paper Communication (as defined in the Credit Agreement) which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention.

Section 6. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
