(ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent the grant of a Lien in such Trademark license would not (subject to limitations set forth under the Second Lien Credit Agreement with respect to the aggregate receivables relating thereto) constitute or result in a breach, termination or default thereunder or otherwise be prohibited under Applicable Law; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by the Pledgors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

The Pledgors agree to deliver updated copies of Schedule A and Schedule B in accordance with the terms of the Second Lien Credit Agreement to the Administrative Agent

within sixty (60) days after any Pledgor acquires any material U.S. or foreign trademark, service mark, trade name or service name not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgors, such further instruments or documents (in form and substance reasonably satisfactory to the Administrative Agent), and promptly perform, or cause to be promptly performed, upon the reasonable request of the Administrative Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Administrative Agent, to carry out the provisions and purposes of the Second Lien Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Administrative Agent (for the benefit of itself and the Lenders) granted pursuant to the Second Lien Credit Agreement, this Trademark Security Agreement, and the other Fundamental Documents in the Trademark Collateral or any portion thereof; provided, that registration shall only be required for foreign trademarks, services marks, trade names or service names upon the reasonable request of the Administrative Agent after consultation with the Borrower if, in the reasonable judgment of the Administrative Agent, such foreign registration is necessary in order to perfect its security interest in the related distribution rights, to protect the Administrative Agent or a Pledgor against a claim by a third Person or to protect the Administrative Agent's or a Pledgor's rights vis-à-vis third Persons.

Subject to the Intercreditor Agreement, if an Event of Default occurs and is continuing, the Pledgors agree that if any Person shall do or perform any act(s) which the Administrative Agent believes constitute an infringement of any Trademark, or violate or infringe any right therein of the Pledgors, the Administrative Agent or the Lenders or if any Person shall do or perform any act(s) which the Administrative Agent reasonably believes constitute an unauthorized or unlawful use thereof, then the Administrative Agent may and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Administrative Agent may deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. Subject to the Intercreditor Agreement, the Administrative Agent may take such steps or institute such suits or proceedings in its own name or in the name of the Pledgors or in the names of the parties jointly. The Administrative Agent hereby agrees to give the Pledgors written notice of any steps taken, or any suits or proceedings instituted, by the Administrative Agent pursuant to this paragraph and each of the Pledgors agrees to reasonably assist the Administrative Agent with any reasonable steps taken, or any suits or proceedings instituted by the Administrative Agent pursuant to this paragraph at the Pledgors' sole expense.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of itself and the Lenders) pursuant to the Second Lien Credit Agreement. Each of the Pledgors and the Administrative Agent does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent (for the benefit of itself and the Lenders) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Second Lien Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all Commitments under the Second Lien Credit Agreement have terminated and all Obligations have been paid indefeasibly in full and performed, the Administrative Agent (on behalf of itself and the Lenders), shall promptly execute and deliver to the Pledgors, at the Pledgors' request and expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be reasonably necessary to terminate the security interest of the Administrative Agent (for the benefit of itself and the Lenders) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to the terms hereof or of the Second Lien Credit Agreement.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Second Lien Credit Agreement and the other Fundamental Documents to which it is a party, the Pledgors may use, license and exploit the Trademark Collateral in any lawful manner permitted under the Second Lien Credit Agreement and the other Fundamental Documents.

Any provision of this Trademark Security Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof, and any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.
