WHEREAS, pursuant to that certain Eighth Amendment to Loan and Security Agreement dated as of July 12, 2021 by and among the Borrowers party thereto, Grantor, the Guarantors party thereto, Administrative Agent, and the Lenders party thereto, the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Administrative Agent to make their respective extensions of credit to the Borrowers under the Loan Agreement, the Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms

Unless otherwise defined herein, terms defined in the Loan Agreement and used herein have the meaning given to them in the Loan Agreement.

Section 2. Grant of Security Interest in Trademark Collateral

The Grantor hereby grants, pledges and collaterally assigns a security interest and Lien to the Administrative Agent, for the benefit of the Lending Parties, in the following of the Grantor (the “**Trademark Collateral**”):

1. all U.S. Trademark registrations and U.S. Trademark applications including, without limitation, those referred to on Schedule I hereto; and
2. all products and proceeds of any or all of the foregoing, including, without limitation, all rights to income, royalties, proceeds and damages now or hereafter due and/or payable under any Trademark and with respect thereto, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding any of the foregoing, the Trademark Collateral shall not include any intent-to-use application for trademark or service mark registration filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing under Section 1(c) or Section 1(d) of the Lanham Act of a “Statement of Use” or an

“Amendment to Allege Use” with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein prior to such filing would impair the validity or enforceability of any registration that issues from such intent-to-use trademark or service mark application under applicable federal law.

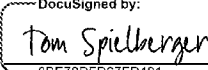

Section 3. Security Agreement

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Loan Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
