NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE I.

CONTRIBUTION AND ASSUMPTION

Section 1.1 Contributed Assets. Upon the terms and subject to the conditions of this Contribution Agreement, the Seller Parties hereby contribute, assign, transfer, convey and deliver to the Company, and the Company hereby acquires and accepts from the Seller Parties, all of the Seller Parties' right, title and interest in and to the Assets (but not including the Leases and the Intercompany Assets), including but not limited to the following:

(a) all Contracts Related to the Business, including without limitation those set forth on Schedule 1.1(a) hereto;

(b) all Business Owned Intellectual Property owned by the Seller Parties, including without limitation the Intellectual Property set forth on Schedule 1.1(b) hereto, together with all goodwill associated with the trademarks contained in such Intellectual Property, all copyright rights included in such Intellectual Property, and all rights to bring claims for past, present, and future infringement or misappropriation of the foregoing, other than pending claims identified in the Excluded Assets, the same to be held and fully enjoyed by the Company, its successors, assigns, and other legal representatives; and

(c) all personal property that is Related to the Business, including without limitation the personal property set forth on Schedule 1.1(c) hereto.

Section 1.2 Assumed Liabilities. Upon the terms and subject to the conditions of this Contribution Agreement, the Company hereby assumes, and agrees to pay, discharge or perform when due, all Business Liabilities (but not including any Deferred Revenue Obligations, the Intercompany Liabilities or liabilities or obligations in respect of Taxes).

Section 1.3 Excluded Assets. For the avoidance of doubt, the Assets do not include any assets that are being used by the Seller Parties or any of their respective Affiliates that are not Related to the Business.

Section 1.4 Excluded Liabilities. Notwithstanding anything in this Contribution Agreement to the contrary, (a) until such time, if any, as Closing is consummated, the Seller Parties are retaining, and the Company is not assuming, any obligation to perform any services and deliver any goods with respect to which it has "advance payments" that were deferred under Revenue Procedure 2004-34, Treasury Regulations Section 1.451-5, Sections 451(b) and 451(c) of the Internal Revenue Code of 1986, as amended, or any other similar provision of applicable tax law as of the Effective Date (the "Deferred Revenue Obligations"), and (b) the Company is not assuming any liabilities or obligations of any kind of the Seller Parties (i) other than the Business Liabilities and (ii) in the nature of any intercompany accounts payable (the "Intercompany Liabilities"). In furtherance of the foregoing, if determined by the parties to be necessary and advisable in furtherance of the transactions contemplated by this Contribution Agreement, as soon as reasonably practicable following the Effective Date, the parties shall enter into, and Parent shall use commercially reasonable efforts to cause its parent, affiliates, and other related parties (such parties together with Parent, the "Parent Parties") to enter into, one or more assignments or license agreements permitting (a) the Company to use Intellectual Property owned by the Parent Parties not transferred herein in connection with the Business in the same manner that such Intellectual Property prior to the Effective Date and (b) the Parent Parties to use Intellectual Property owned by the Company in connection with the businesses of the Parent Parties. Until such time as any such license agreements are finalized, it is understood, agreed and it is the intention of the parties that the Company and the Parent Parties may use any such Intellectual Property in the same manner and subject to the same terms as such parties have been doing in the recent past prior to the Effective Date.

ARTICLE II.

MISCELLANEOUS

Section 2.1 Further Assurances. At any time and from time to time after the date hereof, and without further consideration therefor, the parties agree to execute any and all documents and instruments of transfer, assignment, assumption or novation and to perform such other acts as may be reasonably necessary or expedient to further the purposes of this Contribution Agreement and the transactions contemplated by this Contribution Agreement. Without limiting the generality of the foregoing, until such time, if any, as the Acquisition is consummated if (a) a Seller Party discover that any Asset that was intended to be transferred to the Company pursuant to this Contribution Agreement was not transferred on the Effective Date, such Seller Party will or will cause its Affiliate to promptly assign and transfer to the Company, all of such Seller Party's or such Affiliate's right, title and interest in such asset, or (b) the Company discovers that any asset other than an Asset, including any Excluded Assets, was inadvertently transferred to the Company, the Company will or will cause its Affiliate to promptly assign and transfer to Parent, or another entity designated by Parent, all of the Company's or such Affiliate's right, title and interest in such asset. From and after the Effective Date until the Closing (i) all cash and other remittances, mail and other communications relating to the Business received by Parent or its subsidiaries will be promptly turned over to the Company by such party; and (ii) all cash and other remittances, mail and other communications exclusively relating to any business of Parent or its Affiliates that is not related to the Business that are received by the Company will be promptly turned over to Parent by the Company. Effective as of the Closing, this Section 2.1 shall terminate and be of no further force and effect and the parties' rights and obligations with respect to the subject matter covered by this Section 2.1 shall be governed by Section 6.17(a) of the Purchase Agreement.

Section 2.2 Schedule Updates. From and after the Effective Date until the Closing Date, the parties may update the Schedules in Section 1.1 of this Contribution Agreement as they deem necessary or advisable to reflect the transactions contemplated by this Contribution Agreement.

Section 2.3 Consent of Third Parties. Notwithstanding anything to the contrary in this Contribution Agreement, this Contribution Agreement will not constitute an agreement to assign or transfer any instrument, contract, lease, permit or other agreement or arrangement or any claim, right or benefit arising thereunder or resulting therefrom if an assignment or transfer or an attempt to make such an assignment or transfer without the consent of a third party or governmental approval would constitute a breach or violation thereof or result in any right of acceleration, termination or cancellation thereunder. If a consent to assign any such Asset is obtained, such Asset will be deemed to have been assigned to the Company effective as of the Effective Date upon the terms and conditions set forth in this Agreement. In the event any such consent or approval is not obtained on or prior to the Effective Date, the Seller Parties and the Company will reasonably cooperate in any reasonable arrangement designed to provide that the Company will receive the interest of the applicable Seller Party, as the case may be, in the rights and benefits under any such instrument, contract, lease or permit or other agreement or arrangement, provided that the Company will pay or satisfy (or cause to be paid or satisfied) the corresponding liabilities for the enjoyment of such rights and/or benefits to the extent the Company would have been responsible therefor hereunder if such consent or approval had been obtained on or prior to the Effective Date.

Section 2.4 Amendments and Waivers. No amendment of any provision of this Contribution Agreement will be valid unless such amendment is in writing and signed by the parties. No failure or delay by any party hereto in exercising any right or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 2.5 Successors and Assigns. This Contribution Agreement may not be assigned by either party hereto without the prior written consent of the other parties. Subject to the foregoing sentence, all of the terms and provisions of this Contribution Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

Section 2.6 Governing Law. All matters relating to or arising out of this Contribution Agreement (whether sounding in contract, tort or otherwise) will be governed by and construed in accordance with the Laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule of any jurisdiction that would cause the application of the Laws of any jurisdiction other than the State of New York.

Section 2.7 Counterparts. This Contribution Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Contribution Agreement by facsimile, email or other electronic transfer will be effective as delivery of a manually executed counterpart to this Contribution Agreement.

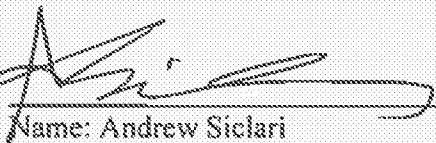

Section 2.8 Purchase Agreement Terms. To the extent this Contribution Agreement conflicts with the Purchase Agreement, the Purchase Agreement shall govern and control.

Section 2.9 Captions. All captions contained in this Contribution Agreement are for convenience of reference only, do not form a part of this Contribution Agreement and will not affect in any way the meaning or interpretation of this Contribution Agreement.

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

DECLARATION UNDER SECTION 2(f)

Young J. Yoo, Senior Vice President and General Counsel of Savvas Learning Company LLC, a Delaware limited liability company with its address at 15 East Midland Ave, Paramus, New Jersey, owner of the trademarks and registrations set forth in Exhibit A hereto, declares as follows based on firsthand knowledge of the underlying facts:

1. He is Senior Vice President and General Counsel of Savvas Learning Company LLC.
2. Savvas Learning Company LLC ("Savvas") is the current owner and owner of record of the registered United States trademarks set forth in Exhibit A hereto (the "Trademarks").
3. Prior to Savvas' acquisition of the Trademarks, they were owned by and registered to NCS Pearson, Inc. (a Minnesota corporation).
4. Savvas has become aware of the erroneous recordation by NCS Pearson, Inc. of a Confirmatory Trademark Assignment that does not accurately reflect the chain of title in and to the Trademarks, and submits this Affidavit in support of its Corrective Recordation of Assignment.
5. On Dec. 14, 2018, as part of a larger agreement for Savvas' acquisition of Pearson Education Inc.'s United States business relating to the Trademarks (the "Business"), NCS Pearson, Inc. entered into a Contribution and Assumption Agreement to transfer and assign the Trademarks to US Learning Services, LLC (a Delaware limited liability company).
6. On March 29, 2019, the Contribution and Assumption Agreement was amended and restated in its entirety by the parties thereto as the "Amended and Restated Contribution and Assumption Agreement," and the initial Contribution and Assumption Agreement thereby became *null and void ab initio*.
7. Under Section 1.1 of the Amended and Restated Contribution Agreement, the assignee of the Business and Trademarks was Pearson K12 Learning LLC (later renamed Savvas Learning Company LLC), *not* US Learning Services LLC as indicated in the initial Contribution and Assumption Agreement.

8. On June 25, 2019, NCS Pearson, Inc. erroneously recorded a Confirmatory Assignment (Reel: 006680 and Frame: 0070) confirming assignment and transfer of the Trademarks to *US Learning Services, LLC*, per the terms of the *voided* Contribution and Assumption Agreement, whereas the proper assignee of the Business and Trademarks was and remains Pearson K12 Learning LLC (now renamed Savvas Learning Company LLC).
9. The erroneously named and recorded assignee of the Trademarks, US Learning Services, LLC, was merged into Pearson K12 Learning LLC (now renamed Savvas), and such merger is evidenced by the Delaware Secretary of State Certificate of Merger attached hereto as Exhibit B, evidencing that no third-party assignee's interest will be implicated or compromised by acceptance of Savvas' Corrective Recordation of Assignment.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
