 - (2) **SATURN NEWCO LIMITED** a company incorporated in the United Kingdom with registered number 13213086 whose registered office is at 103-105 Bath Road, Slough, Berkshire, United Kingdom, SL1 3UH (the “Assignee”);
- (each a “party” and together the “parties”).

Whereas:

- (A) The Assignor is the owner of the Trade Marks, together with all of the goodwill attaching to and represented by the Trade Marks (as defined below).
- (B) The Assignor has agreed to assign to the Assignee on the terms of this Deed all of its rights in and to the Trade Marks including all goodwill attaching to and represented by the Trade Marks, but no other goodwill.

NOW THIS DEED WITNESSETH as follows:

1 Definition and interpretation

1.1 Definition

In this Deed, the following capitalised terms shall have the meanings set out below:

“**Trade Marks**” means the registered trade marks and applications for registered trade marks set out in the Schedule to this Deed.

“**Tax Authority**” means any taxing or other authority competent to impose any liability in respect of VAT or responsible for the administration and/or collection of VAT or enforcement of any law in relation to VAT and acting in its capacity as such.

“**VAT**” means any transaction tax (including but not limited to Value Added Tax, Sales Tax and Goods and Services Tax) chargeable on the transactions governed by this Agreement (but, for the avoidance of doubt, excluding any withholding tax).

1.2 Interpretation

In this Deed, unless otherwise specified:

1.2.1 references to clauses and schedules are to clauses and schedules of this Deed;

1.2.2 references to a “**person**” shall be construed so as to include any individual, firm, company or other body corporate, government, state or agency of a state, local or municipal authority or government body or any joint venture, association or partnership (whether or not having separate legal personality); and

1.2.3 headings to clauses and schedules are for convenience only and do not affect the interpretation of this Deed.

2 Assignment

- 2.1 The Assignor hereby assigns to the Assignee all its right, title and interest in and to the Trade Marks including:
- 2.1.1 all goodwill attaching to and represented by the Trade Marks, but no other goodwill;
 - 2.1.2 any entitlement to any registrations granted pursuant to any of the applications comprised within the Trade Marks; and
 - 2.1.1 any rights of action arising or accrued relating to the Trade Marks, including the right to take and/or defend proceedings for infringement of the Trade Marks and/or other causes of action arising from ownership of any of the Trade Marks, and all rights to seek, recover and retain damages and/or an account of profits and all other remedies for all past, current and/or future infringements or misuse of the Trade Marks.
- 2.2 In the event that a Tax Authority determines that VAT is chargeable in respect of the supply of all or any of the Trade Marks under this Deed or in respect of any other thing done by the Assignor under this Deed which represents a taxable supply for VAT purposes, the Assignee shall pay to the Assignor by way of additional consideration a sum equal to the amount of VAT determined by that Tax Authority to be so chargeable within 14 days of the Assignor notifying the Assignee of that determination (against delivery by the Assignor of an appropriate VAT invoice).

3 Further Assurance

At the request and cost of the Assignee, the Assignor shall execute such documents and do such acts and things as the Assignee may reasonably require for the purpose of giving the Assignee the full benefit of this Deed.

4 Invalidity

If any provision in this Deed shall be held to be illegal, invalid or unenforceable, in whole or in part, the provision shall apply with whatever deletion or modification is necessary so that the provision is legal, valid and enforceable and gives effect to the commercial intention of the parties. To the extent that it is not possible to delete or modify the provision, in whole or in part, under this Clause 4, then such provision or part of it shall, to the extent that it is illegal, invalid or unenforceable, be deemed not to form part of this Deed and the legality, validity and enforceability of the remainder of this Deed shall, subject to any deletion or modification made under this Clause 4, not be affected.

5 Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of, or enjoy any benefit under, this Deed.

6 Entire agreement

- 6.1 This Deed constitutes the whole and only agreement between the parties relating to the subject matter of this Deed, to the exclusion of any terms implied by law which may be excluded by contract. In entering into this Deed, each party to this Deed acknowledges that it is not relying upon any pre-contractual statement which is not expressly set out in them.

- 6.2 Except in the case of fraud, no party shall have any right of action against any other party to this Deed arising out of or in connection with any pre-contractual statement except to the extent that it is repeated in this Deed.
- 6.3 For the purposes of this Clause 6, "pre-contractual statement" means any draft, agreement, undertaking, representation, warranty, promise, assurance or arrangement of any nature whatsoever, whether or not in writing, relating to the subject matter of this Deed made or given by any person at any time prior to the date of this Deed.

7 Counterparts

This Deed may be executed in any number of counterparts, and by the parties on separate counterparts, but shall not be effective until each party has executed at least one counterpart. Each counterpart shall constitute an original of this Deed, but all the counterparts shall together constitute but one and the same instrument.

8 Variation

No variation to or waiver under this Deed shall be effective unless made in writing and signed by or on behalf of each the parties.

9 Governing law and submission to jurisdiction

- 9.1 This Deed is to be governed by and construed in accordance with English law. Any matter, claim or dispute arising out of or in connection with this Deed, whether contractual or non-contractual, is to be governed by and determined in accordance with English law.
- 9.2 The courts of England are to have exclusive jurisdiction to settle any dispute, whether contractual or non-contractual, arising out of or in connection with this Deed. Any proceedings shall be brought only in the courts of England.
- 9.3 Each party waives (and agrees not to raise) any objection, on the ground of *forum non conveniens* or on any other ground, to the taking of proceedings in the courts of England. Each party also agrees that a judgment against it in proceedings brought in England shall be conclusive and binding upon it and may be enforced in any other jurisdiction. Each party irrevocably submits and agrees to submit to the jurisdiction of the courts of England.

In witness of which this DEED has been executed and delivered on the date first written above.
