TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this “Agreement”) is made effective as of July 2, 2021, by and between Terra Shoes, LLC, a Delaware limited liability company (successor by conversion to Earth, Inc., a Massachusetts corporation) (“Assignor”) and Earth IpCo LLC, a Delaware limited liability company (“Assignee”).

RECITALS

A. Assignor holds all right, title and interest in and to the trademark registrations and applications set forth on Exhibit A hereto (the “Marks”).

B. Assignor and Assignee are parties to that certain Contribution Agreement, dated as of the date hereof (the “Contribution Agreement”), pursuant to which Assignor transferred and conveyed to Assignee certain of the assets of Assignor, including the Marks and the goodwill of the business associated therewith and symbolized thereby. All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Contribution Agreement.

C. The execution and delivery of this Agreement is a requirement under the Contribution Agreement.

NOW, THEREFORE, in consideration of the premises set forth above and in the Contribution Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignment. Assignor hereby assigns, conveys and transfers unto Assignee, Assignor’s entire right, title and interest throughout the world in and to the Marks (including any common law rights associated therewith and rights to use the Marks as a trade name), together with the goodwill of the business associated therewith and symbolized thereby, and all rights to claim priority thereto in the United States and any other jurisdiction with full benefit of such priority as may now or hereafter be granted by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity that Assignor has or may have in profits, damages and other legal or equitable relief for past, present and future infringements, dilutions and other violations thereof, including, without limitation, the right to compromise, sue for and collect such profits, damages and other legal or equitable relief; all of the foregoing to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made.

2. Authorization. Assignor hereby authorizes the Director of the United States Patent & Trademark Office, and the empowered official of any other jurisdiction whose duty it is to record trademark registrations and applications, and title thereto, to record the Marks and title thereto as the property of Assignee.

3. Further Assurances. Assignor shall execute and deliver to Assignee such additional instruments, documents, conveyances or assurances and take such other action as shall be necessary, or otherwise reasonably requested by Assignee, to confirm and assure the rights and obligations provided for in this Agreement and render effective the consummation of the

transactions contemplated hereby, or otherwise to carry out the intent and purposes of the Contribution Agreement and this Agreement.

4. Assignment of this Agreement. This Agreement may be assigned by Assignee in whole or in part to a subsidiary of Assignee or in connection with the sale of any part of the business of Assignee to which the Marks relate.

5. Counterparts. This Agreement may be executed in one or more counterparts (which may be by facsimile or other electronic transmission) and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which together shall constitute one and the same instrument.

6. Controlling Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without reference to Delaware's choice of law rules, and the parties hereby submit to the exclusive jurisdiction of the Delaware Court of Chancery and the appellate courts thereof.
