**NOTICE AND CONFIRMATION OF GRANT OF  
SECURITY INTEREST IN TRADEMARKS**

NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN TRADEMARKS (the "Agreement"), dated as of July 19, 2021, made by Detail Garage, LLC, a California limited liability company, Smart, LLC, a California limited liability company (together with Detail Garage, LLC, a "Grantor" and collectively the "Grantors"), in favor of GOLUB CAPITAL MARKETS LLC, as Administrative Agent and Collateral Agent (the "Agent") for the Lenders that are parties to that certain Credit Agreement, dated as of July 19, 2021, by and among CHE Holdings II Corp., CG Group Holdings, LLC (the "Borrower"), the Lenders from time to time party thereto and the Agent (as amended, restated, amended and restated, supplemented, waived or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed, among other things, to make loans to the Borrower subject to the terms and conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Grantor, the Borrower and the other parties thereto have executed and delivered a Guarantee and Collateral Agreement, dated as of July 19, 2021, in favor of the Agent (together with all amendments, supplements, waivers and other modifications, if any, from time to time thereafter made thereto, the "Guarantee and Collateral Agreement"); and

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Grantor granted to the Agent, subject to existing licenses to use the Copyrights, Patents, Trademarks and Trade Secrets granted by Grantor in the ordinary course of business, to the Agent for the benefit of the Secured Parties, a security interest in all of its Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and/or the Guarantee and Collateral Agreement, as applicable.

2. Confirmation of Grant of Security Interest. The Grantor hereby confirms that it granted and hereby does grant (subject only to Liens permitted under the Credit Agreement and existing licenses granted by Grantor in the ordinary course of business) to the Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to all Trademarks owned by such Grantor, including without limitation those Trademarks set forth on Schedule 1 hereto, and including, without limitation, (i) the right to sue or otherwise recover for any and all past, present and future infringements or dilutions thereof, (ii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including,

without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past or future infringements thereof), and (iii) all other rights corresponding thereto in the United States and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto in the United States, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark, service mark, trade name, trade dress or other indicia of trade origin or business identifiers and, to the extent not otherwise included, all Proceeds and products of any and all of the foregoing as collateral security for the prompt and complete payment and performance when due (whether as stated maturity, by acceleration or otherwise) of the Obligations; provided, however, that no security interest is granted in any Excluded Assets.

3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Guarantee and Collateral Agreement. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

5. Counterparts. This Agreement may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement.

6. Governing Law. This Agreement and the rights and obligations of the Parties hereunder and any claim or controversy relating hereto shall be governed by, and construed and interpreted in accordance with, the Law of the State of New York, without giving effect to its principles or rules of conflict of laws to the extent such principles or rules are not mandatorily applicable by statute and would require or permit the application of the Laws of another jurisdiction.

[Remainder of page intentionally left blank; signature pages follow]

IN WITNESS WHEREOF, the Grantor and the Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
