CONFIRMATORY TRADEMARK ASSIGNMENT

THIS CONFIRMATORY TRADEMARK ASSIGNMENT (this "Assignment") is effective as of February 24, 2021 and made and entered into by and among Serve Robotics Inc., a Delaware corporation ("Assignee"), and Postmates, LLC., a Delaware limited liability company ("Assignor"). All capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Contribution and License Agreement, executed by Assignee and Assignor and dated and effective as of February 24, 2021 (the "Contribution and License Agreement").

WHEREAS, upon the terms and subject to the conditions of the Contribution and License Agreement, the Assignor transferred, conveyed, and assigned to the Assignee, and the Assignee accepted from the Assignor, all of Assignor's right, title, and interest in and to the Contributed IP, including Contributed Trademarks.

WHEREAS, it is the intention of the parties hereto to record the transfer, conveyance, and assignment of the Contributed Trademarks.

NOW, THEREFORE, in consideration of the covenants, promises, and representations set forth herein and in the Contribution and License Agreement, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignor hereby confirms that it irrevocably assigns to Assignee, its entire right, title, and interest in, to, and under the Contributed Trademarks, as trademark identified on Schedule A, any related applications or registrations, and all common law rights in, to, and under the Contributed Trademarks (the "Trademark"), along with the portion of the business to which the Trademark pertains, and including all goodwill associated with and symbolized by the Trademark, and together with the right to sue and recover damages for past, present, and future infringements of the Trademark and to fully and entirely stand in the place of Assignor in all matters related to the Trademark. Assignee hereby confirms that it accepts this assignment.
2. Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America or equivalent authority elsewhere in the world to record this assignment and to issue any registration of the Trademark, as may be granted, to Assignee and its successors and assigns.
