in Schedule I attached hereto, (B) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (C) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), (D) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, and (E) any and all proceeds of the foregoing ((a) through (e), collectively, the “Intellectual Property Collateral”).

If and to the extent that the Collateral Agent has acquired any right, title, or interest in and to the Intellectual Property Collateral of the Grantors under the IP Security Agreement or the Security Agreement, the Collateral Agent, without representation or warranty of any kind, hereby re-transfers, re-conveys, and re-assigns such right, title or interest to the Grantors.
