TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“Assignment”) is made as of 29 July 21 by and between Safeguard Medical Holdco, LLC, a limited liability company formed in accordance with the laws of Delaware (the “Assignee”), and H&H Medical Corporation, a company formed in accordance with the laws of Virginia (the Assignor”).

WHEREAS, Assignor is the owner of all right, title and interest in and each trademark listed in Schedule A (the “Trademark”), together with the goodwill of the business connected with and symbolized by each Trademark; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to each Trademark;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is acknowledged, the parties hereby agree as set forth below:

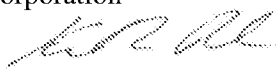

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to each Trademark in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by each Trademark (including, without limitations, the right to renew and registrations included in the Trademark, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademark and any priority right that may arise from the Trademark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States Patent and Trademark Office and other empowered officials of the United States Patent and Trademark Office, and in any applicable jurisdictions outside the United States, to record the transfer of the registration set forth to Assignee as assignee of Assignor’s entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to perfect this assignment or to confirm Assignee’s ownership of each Trademark.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by email, which transmission shall be deemed delivery of an originally executed document.
