TRADEMARK ASSIGNMENT

WHEREAS, FBM Gaming, Inc., a company incorporated under the laws of the state of Arizona, United States of America, with an address of its office at 2600 W. Albany Street, Suite A, Broken Arrow, Oklahoma 74012, ("Assignor"), has adopted, used, is using and is the owner of all right, title and interest in and to the trademarks on Exhibit A, which are now registered, or pending registration, in the United States Patent and Trademark Office, and in any applicable jurisdiction outside the United States, together with any and all common law rights and the goodwill associated therewith and symbolized thereby (the "Trademarks").

WHEREAS, Drako Limited, a limited company incorporated under the laws of Malta, with its registered office at Central Business Centre, Level 5, 135 Spinola Bay, St. Julians, STJ 3093, Malta, with company registration number C91369 (hereinafter referred to as "Assignee"), desires to acquire all right, title and interest in and to the Trademarks;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, effective as of April 1, 2021, Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademarks in the United States and all jurisdictions outside the United States, together with the goodwill associated therewith and symbolized by the Trademarks including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks, all rights to sue others for past, present, and future acts of infringement of the Trademarks, and to retain all revenues received from others for past, present and future acts of infringement of the Trademarks, all of the foregoing to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration for the Trademarks to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees, without further compensation, to further execute any documents reasonably necessary to affect this assignment or to confirm Assignee's ownership of the Trademarks.
