**Termination and Release of Trademark Security Interest**

This **Termination and Release of Trademark Security Interest** (the "Trademark Release"), dated as of July 23, 2021 (the "Effective Date"), is made by JPMORGAN CHASE BANK, N.A., as Administrative Agent (the "Agent") in favor of COLUMBUS MCKINNON CORPORATION, a New York corporation (the "Grantor"). Grantor and Agent are sometimes referred herein as each a "Party" and, collectively, the "Parties."

**WHEREAS**, Grantor and Industrial Shredders LLC, a Florida limited liability company ("Industrial Shredders") entered into that certain Assignment of Trademarks, dated as of December 28, 2018 (the "Trademark Assignment"), pursuant to which Grantor sold, assigned, transferred and conveyed to Industrial Shredders all of the Grantor's right, title and interest in and to certain Trademarks, including the trademark registration set forth on Schedule A, attached hereto, (such scheduled Trademark, the "Assigned Trademark"). The Trademark Assignment was recorded with the United States Patent and Trademark Office on January 15, 2019 at trademark assignment Reel/Frame 6568/0668.

**WHEREAS**, the Grantor and Agent, among others, entered into (i) that certain Amended and Restated Credit Agreement, dated as of May 14, 2021 (as amended, restated or modified, the "Credit Agreement"), (ii) that certain U.S. Security Agreement dated as of April 7, 2021 (as amended, restated or modified, the "U.S. Security Agreement"), and (iii) that certain Grant of Security Interest in Trademark Rights, dated as of April 7, 2021 (as amended, restated or modified, the "Trademark Security," and collectively with the Credit Agreement and U.S. Security Agreement, the "Security Agreements").

**WHEREAS**, the Trademark Security was recorded with the United States Patent and Trademark Office on April 8, 2021 at trademark assignment Reel/Frame 7249/0265.

**WHEREAS**, the Assigned Trademark was inadvertently included in applicable schedules to the Trademark Security. Because the Assigned Trademark was transferred to Industrial Shredders pursuant to the Trademark Assignment, the Grantor had no right, title or interest in the Assigned Trademark at the time of entry into the Security Agreements. As a result, the Assigned Trademark should not have been included in the security interest granted by the Company to the Agent under the Security Agreements (the "Security Interest") and should be removed from the Security Agreements.

**WHEREAS**, to the extent that Agent has a security interest in the Assigned Trademark, effective as of the Effective Date, Agent agrees to fully terminate, discharge and release any such lien and security interest in the Assigned Trademark.

**NOW, THEREFORE**, for good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged by the Parties, Agent hereby agrees, for the benefit of Grantor, as follows:

1. Defined Terms. Unless otherwise defined herein, capitalized terms defined in the Credit Agreement, U.S. Security Agreement or Trademark Security, and used herein, have the

meaning given to them in the Credit Agreement, U.S. Security Agreement or Trademark Security, as applicable.

2. Release of Security Interest. Without representation, warranty or recourse of any kind, the Agent agrees to fully terminate, release and discharge, and hereby does fully terminate, release, and discharge, its lien and security interest in all of Grantor's present and future right, title and interest in and to the Assigned Trademark. For the avoidance of doubt, the Agent's Security Interest in all Collateral (as that term is defined in the Trademark Security) other than the Assigned Trademark shall remain in full force and effect.

3. Further Assurances. Agent hereby authorizes Grantor to record this Trademark Release with the USPTO, . Agent hereby further agrees to duly execute, acknowledge, procure and deliver any further documents and to do such other acts, in each case at Grantor's request and expense, as may be reasonably necessary to effect the release of the security interest in the Assigned Trademark contemplated hereby.

4. Counterparts. This Trademark Release may be executed in any number of counterparts and by the different Parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original, and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Trademark Release electronically or by telecopy shall be as effective as delivery of a manually executed counterpart of this Trademark Release.

5. Successors and Assigns. This Trademark Release will be binding on and shall inure to the benefit of the Parties hereto and their respective permitted successors and assigns.

6. Severability. Each provision of this Trademark Release will be interpreted in such a manner as to be effective and valid under applicable law, but if any term or other provision of this Trademark Release is held to be invalid, illegal or unenforceable under applicable law, all other provisions of this Trademark Release shall remain in full force and effect.
