TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement is made and entered into as of July 27, 2021, between Mars Petcare US, Inc., a Delaware corporation (“*Assignor*”), and Royal Canin U.S.A., Inc., a Delaware corporation (“*Assignee*”).

WHEREAS, Assignor is the owner of the entire right, title, interest and goodwill in and to all of the trademarks identified on Schedule A attached hereto (collectively, the “*Trademarks*”);

WHEREAS, that portion of the business to which the Trademarks relate is being transferred to Assignee;

WHEREAS, Assignee is desirous of acquiring the Trademarks; and

WHEREAS, Assignee desires to acquire the Trademarks, and Assignor desires to transfer the Trademarks to Assignee.

FOR GOOD AND VALUABLE CONSIDERATION, the sufficiency and receipt of which are hereby acknowledged, Assignor hereby assigns, transfers and conveys to Assignee, Assignor’s entire worldwide right, title and interest in and to, including any and all common law rights thereto, as well as the goodwill of the business symbolized by, the Trademarks, as well as any related trademark registrations, trade names, service marks, and/or trademark applications; together with all renewals thereof; all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof; and any and all United States and/or foreign trademark (or service mark) registrations which may be issued on same in the future.

Together with Assignor’s worldwide right, title and interest in and to each of the Trademarks, as well as the goodwill of the business associated with said Trademarks being assigned to Assignee, are the rights to police, monitor and enforce said Trademarks against any and all past, current and future infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this present Trademark Assignment Agreement, together with any and all further privileges in the United States and throughout the world to establish use, ownership, and registration of the Trademarks.

Assignor hereby covenants and warrants that, with respect to each Trademark, it has the full right to convey its above-described right, title, interest and goodwill by this instrument, free of any encumbrances. Assignor further covenants and warrants that no other agreement has been or will be executed in conflict herewith.

Assignor agrees to perform all affirmative acts which may be necessary or desirable to record or perfect the above-described transfer of Trademark rights, or to secure registration before the United States Patent and Trademark Office or any foreign trademark office, at Assignee’s expense, as well as to cooperate with Assignee in obtaining and/or providing information required in any proceedings relating to the Trademarks, again at Assignee’s expense.

Assignor further authorizes the Commissioner of Patents and Trademarks of the United States, and the appropriate official in any other country, to issue any and all trademark and service mark registrations, amended registrations and renewals that have been or may be granted upon any application or petition for same, to Assignee, and Assignee’s successors and/or assigns.

Assignor hereby grants to the designated attorneys of Assignee, the authority and power to insert on this instrument, any further identification which may be necessary or desirable for purposes of recordation by the United States Patent and Trademark Office or the Trademark Office of any other country throughout the world.

This Trademark Assignment Agreement may be executed in one or more counterparts (including electronically), each of which when executed shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

* * * * *

IN WITNESS WHEREOF, the parties have executed this Trademark Assignment Agreement as of the first date set forth above.
