## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of August 2, 2021 ("Effective Date"), by and between Island Global Yachting LLC ("Assignor"), and Applied Technology and Management, Inc. ("Assignee"). Assignor and Assignee are referred to herein collectively as the "Parties" and each individually as a "Party."

WHEREAS, Assignor desires to sell, convey, assign and transfer to Assignee, and Assignee desires to purchase, acquire and accept, all of Assignor's rights, titles and interests in, to, and under the trademarks, including all registrations in respect thereof, set forth on Schedule A attached hereto ("Schedule A Trademark Rights") and any goodwill of the business associated with said Schedule A Trademark Rights.

NOW THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as follows:

1. Assignment. Assignor hereby absolutely and irrevocably sells, conveys, assigns and transfers to Assignee (and to Assignee's nominated representatives, successors and assigns), and Assignee hereby purchases, acquires and accepts, any and all of such Assignor's: (i) worldwide rights, titles and interests in and to the ATM and ATM DESIGN ENGINEERING CONSULTING marks, including but not limited to the registration listed in the Schedule A Trademark Rights and any associated common law trademark rights (collectively, the "ATM Marks"), and any goodwill of the business associated with said ATM Marks and (ii) the right to apply for registrations and to sue and collect damages and/or profits for both past and present infringements of, or other causes of action related to, the ATM Marks.
2. Further Assurances. Assignor shall execute and deliver to Assignee such other instruments of sale, transfer, conveyance, assignment and confirmation and take such other action to register, evidence, perfect, and/or exercise the rights conveyed hereunder, as may be requested by Assignee.
3. Recordation and Further Actions. Assignor hereby authorizes the U.S. Patent and Trademark Office, the U.S. Copyright Office, and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon request by Assignee and at Assignee's sole cost and expense. Following the date hereof, upon Assignee's request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the ATM Marks to Assignee, or any assignee or successor thereto.
4. Successors and Assigns. All the terms, covenants and conditions in this Assignment shall be binding upon Assignor and its successors and assigns and all others acting by, through,

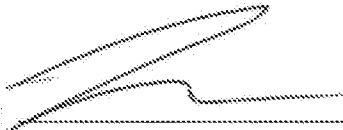

with or under its direction, and all those in privity therewith, and shall insure to the benefit of Assignee and its successors and assigns or nominees.

5. Effective Date. This Assignment shall be effective as of the Effective Date.
6. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and together shall constitute one and the same assignment, it being understood that both Parties need not sign the same counterpart. Delivery of an executed signature page to this Assignment by facsimile or other electronic transmission (including documents in Adobe PDF format) will be effective as delivery of a manually executed signature page to this Assignment.
7. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law, principles or rules of such state, to the extent such principles or rules are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction.
