Notwithstanding anything herein to the contrary, the lien and security interest granted to the Administrative Agent pursuant to or in connection with this Agreement, the terms of this Agreement and the exercise of any right or remedy by the Administrative Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of August 10, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the “**Second Lien Intercreditor Agreement**”), among Antares Capital LP, as the First Lien Agent, and TCG Senior Funding L.L.C., as Second Lien Agent. In the event of any conflict between the terms of the Second Lien Intercreditor Agreement and this agreement, the terms of the Second Lien Intercreditor Agreement shall control.

## SECOND LIEN TRADEMARK SECURITY AGREEMENT

This **SECOND LIEN TRADEMARK SECURITY AGREEMENT**, dated as of August 10, 2021 (as amended, restated, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”), is made by the entity identified as the Grantor on the signature pages hereto (the “**Grantor**”) in favor of TCG Senior Funding L.L.C., as administrative agent for the Secured Parties (in such capacity and together with its successors and permitted assigns in such capacity, the “**Administrative Agent**”).

**WHEREAS**, the Grantor is party to that certain Second Lien Security Agreement, dated as of August 10, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among the Grantor, the other grantors party thereto and the Administrative Agent pursuant to which the Grantor granted a security interest to the Administrative Agent in the Trademark Collateral (as defined below) and is required to execute and deliver this Trademark Security Agreement.

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Administrative Agent as follows:

### **SECTION 1. DEFINED TERMS**

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

### **SECTION 2. GRANT OF SECURITY INTEREST**

The Grantor, as security for the payment and performance in full of the Secured Obligations of the Grantor (including, if the Grantor is a Guarantor, the Secured Obligations of the Grantor arising under the Guaranty), hereby pledges to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

- (i) all United States registered or applied for Trademarks, including those listed on Schedule A hereto;
- (ii) all renewals and extensions thereof;
- (iii) all goodwill of the business connected with the use thereof and symbolized thereby;

- (iv) all rights to sue or otherwise recover for any past, present and future infringement, dilution, violation or other impairment thereof;
- (v) all Proceeds now or hereafter due or payable under or with respect to the foregoing, including payments under all licenses entered into in connection therewith and damages and payments for past, present, or future infringements, dilutions, violations or other impairments thereof; and
- (vi) all rights corresponding thereto throughout the world;

*provided* that the Trademark Collateral shall not include any Excluded Assets.

## **SECTION 2.1 CERTAIN LIMITED EXCLUSIONS**

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2 hereof attach to any "intent-to-use" trademark application prior to the filing and the USPTO's acceptance of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of, or void, such "intent-to-use" trademark application, or any registration that may issue therefrom, under applicable federal law.

## **SECTION 3. SECURITY AGREEMENT**

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

## **SECTION 4. RECORDATION**

**The Grantor hereby authorizes and requests that the USPTO record this Trademark Security Agreement.**

## **SECTION 5. TERMINATION**

This Trademark Security Agreement shall terminate and the lien on and security interest in the Trademark Collateral granted hereunder shall be released upon the payment and performance of the Secured Obligations in accordance with the Loan Documents. Upon the termination of this Trademark Security Agreement, the Administrative Agent shall execute all documents, make all filings, and take all other actions reasonably requested by the Grantor, and at the Grantor's sole cost and expense, to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein.

SECTION 6. GOVERNING LAW

THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 7. COUNTERPARTS

This Trademark Security Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of Page Intentionally Left Blank; Signature Pages Follow.]

**IN WITNESS WHEREOF**, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
