**TRADEMARK SECURITY AGREEMENT**

**Trademark Security Agreement**, dated as of August 16, 2021 by Crane 1 Services, Inc., a Delaware corporation (the “**Grantor**”), in favor of NXT Capital, LLC, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the “**Collateral Agent**”).

W I T N E S S E T H:

WHEREAS, the Grantor is party to a Pledge and Security Agreement dated as of August 16, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1 Defined Terms. Unless otherwise defined herein, capitalized terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement (including by cross reference to the Credit Agreement defined therein).

SECTION 2 Grant of Security Interest in Trademark Collateral: As security for the payment or performance when due (whether at the stated maturity, by acceleration or otherwise), as the case may be, in full of the Secured Obligations, including the Guaranty, the Grantor hereby assigns and pledges to the Collateral Agent, for the benefit of the Secured Parties, and grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in and a continuing Lien on, all right, title or interest in or to any and all of the following Collateral (excluding any Excluded Assets) of the Grantor:

(a) all registered Trademarks and pending applications for Trademarks, in any worldwide jurisdiction, of the Grantor, including those listed on Schedule I attached hereto and all goodwill of the business connected with the use of, and symbolized by, any of the foregoing; provided that, in no event shall any security interest be granted in any “intent-to-use” trademark application filed in the USPTO pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051 prior to the filing and acceptance of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent, and solely during the period, if any, that granting a security interest in such trademark application prior to such filing would impair the enforceability or validity of such trademark application or any registration that issues therefrom under applicable federal law;

(b) all income, fees, royalties, damages and payments then or thereafter due and/or payable to any Grantor with respect to any of the foregoing, including damages, claims, and payments for past, present or future infringements thereof; and

(c) all rights to sue for past, present or future infringements thereof.

SECTION 3 The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark

Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4 Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Collateral Agent shall, at the expense of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the Lien on and Security Interest in the Trademarks under this Trademark Security Agreement.

SECTION 5 Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6 Governing Law; Jurisdiction; Venue; Waiver of Jury Trial; Consent to Services of Process.

(a) The terms of Sections 10.15 and 10.16 of the Credit Agreement (as defined in the Security Agreement) with respect to governing law, submission of jurisdiction, venue and waiver of jury trial are incorporated herein by reference, mutatis mutandis, and the parties hereto agree to such terms.

(b) Each party to this Trademark Security Agreement irrevocably consents to service of process in the manner provided for notices in Section 6.01 of the Security Agreement. Nothing in this Trademark Security Agreement will affect the right of any party to this Trademark Security Agreement to serve process in any other manner permitted by Law.
