### **AGREEMENT**

To secure its Obligations under Guarantee, the Debenture, and all other agreements now existing or hereafter arising between Grantor and Bank, Grantor grants and pledges to Bank a security interest in all of Grantor’s right, title, and interest in, to, and under those Copyrights, Patents, and Trademarks listed on Exhibits A, B, and C hereto and which are registered in the United States of America only, and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present, and future infringements, all rights corresponding thereto throughout the world, and all re-issues, divisions, continuations, renewals, extensions, and continuations-in-part thereof (collectively, the “**Intellectual Property Collateral**”).

If the jury waiver set forth above is not enforceable, then any dispute, controversy or claim arising out of or relating to this Agreement, the Loan Documents or any of the transactions contemplated therein shall be settled by final and binding arbitration held in Durham County, North Carolina in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association by one arbitrator appointed in accordance with those rules.
