## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement, dated as of August 17, 2021 (this “**Trademark Security Agreement**”), by and among the signatory hereto indicated as a “**Pledgor**” (the “**Pledgor**”) in favor of U.S. Bank National Association solely in its capacity as collateral agent for the Secured Parties (in such capacity, together with any successor thereof in such capacity, the “**Collateral Agent**”) pursuant to that certain Base Indenture, dated as of August 17, 2021 (the “**Base Indenture**”), as supplemented by that certain First Supplemental Indenture dated as of August 17, 2021 (the “**Supplemental Indenture**”; the Base Indenture, as supplemented by the Supplemental Indenture and as further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Indenture**”), by and among Intercept Pharmaceuticals, Inc., a Delaware corporation (“**Issuer**”), the Pledgor and each of the other guarantors listed on the signature pages thereto, and U.S. Bank National Association, as collateral agent.

### W I T N E S E T H:

WHEREAS, the Pledgor is party to that certain Security Agreement dated as of August 17, 2021 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which the Pledgor pledged and granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in the Trademark Collateral (as defined below); and

WHEREAS, pursuant to the Security Agreement, the Pledgor is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the ratable benefit of the Secured Parties, to enter into the Indenture, the Pledgor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Capitalized terms used but not defined herein shall have the meanings given or given by reference to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Collateral Agent for the ratable benefit of the Secured Parties a Lien on and security interest in and to all of the right, title and interest of the Pledgor in, to and under all the following Pledged Collateral of the Pledgor, in each case excluding Excluded Assets (including any application for registration of a Trademark on the basis of the applicant’s intent-to-use such Trademark, unless and until evidence of use of the Trademark has been filed with, and accepted by, the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. §1051, et seq.), to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein prior to such filing would impair the validity or enforceability of such Trademark application or any registration issuing therefrom under applicable federal law), whether now existing or hereafter arising or acquired from time to time (collectively, the “**Trademark Collateral**”): whether now owned or held, or hereafter acquired or created by or assigned to such Pledgor, all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locations

(URLs), domain names, trade names, or other indicia of source, whether registered or unregistered, all registrations and applications for the foregoing (whether statutory or common law and whether registered or applied for in the United States or any other country, multi-national registry or any political subdivision thereof), including the United States trademark and service mark registrations and applications for registration listed on Schedule 1 attached hereto, together with any and all (i) rights and privileges arising under applicable law with respect to the use of any of the foregoing, (ii) all goodwill of the business connected with the use thereof and symbolized thereby, (iii) extensions and renewals thereof and amendments thereto, (iv) rights to proceeds, income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or other violations thereof, (v) rights to sue or otherwise recover for past, present and future infringements, dilutions or other violations thereof and (vi) rights corresponding thereto throughout the world.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be an original, but such counterparts shall together constitute but one and the same instrument. The exchange of copies of this Trademark Security Agreement and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Trademark Security Agreement as to the parties hereto and may be used in lieu of the original Trademark Security Agreement for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes. The words “delivery,” “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Trademark Security Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Trustee and the Collateral Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**SECTION 5. GOVERNING LAW. THE TERMS OF SECTIONS 17.03 AND 17.11 OF THE SUPPLEMENTAL INDENTURE WITH RESPECT TO GOVERNING LAW, CONSENT OF JURISDICTION, SERVICE OF PROCESS, VENUE AND WAIVER OF JURY TRIAL ARE INCORPORATED HEREIN BY REFERENCE, MUTATIS MUTANDIS, AND THE PARTIES HERETO AGREE TO SUCH TERMS.**

SECTION 6. Concerning the Collateral Agent. U.S. Bank National Association is entering this Agreement not in its individual capacity, but solely in its capacity as Collateral Agent under the Indenture. In acting hereunder, the Collateral Agent shall be entitled to all of the rights, privileges and immunities of the Collateral Agent set forth in the Indenture, including without limitation in Article 8 of the Supplemental Indenture, as if such rights, privileges and immunities were expressly set forth herein.
