TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 23, 2021, is made by each of the entities listed on the signature pages hereof (the “Grantor”), in favor of WESTERN ALLIANCE BANK, as Collateral Agent (in such capacity, together with its successors and permitted assigns, the “*Collateral Agent*”) for the Lenders and the other Secured Parties.

WITNESSETH:

WHEREAS, PAIR SOFTWARE TOPCO, LLC, a Delaware limited liability company (“*Holdings*”), PAIR SOFTWARE INTERMEDIATE, LLC, a Delaware limited liability company (the “*Borrower*”), the subsidiaries of the Credit Parties that are Guarantors, the lenders from time to time party thereto (each a “*Lender*” and, collectively, the “*Lenders*”) and WESTERN ALLIANCE BANK, as administrative agent for the Lenders (in such capacity, together with its successors and assigns in such capacity, the “*Administrative Agent*”), as collateral agent for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, the “*Collateral Agent*”) and TREE LINE CAPITAL PARTNERS, LLC as lead arranger (in such capacity, together with its successors and assigns in such capacity, the “*Lead Arranger*”, and together with the Administrative Agent and the Collateral Agent, collectively, the “*Agents*” and each an “*Agent*”), have entered into a Credit Agreement, dated as of December 29, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “*Credit Agreement*”);

WHEREAS, the Grantor is party to a Guaranty and Security Agreement dated as of December 29, 2020 in favor of the Collateral Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “*Guaranty and Security Agreement*”), pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Collateral Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, the Grantor hereby agrees with the Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement or the Credit Agreement, as applicable.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of the Grantor, hereby mortgages and pledges to the Collateral Agent for the benefit of the Secured Parties, and grants to the Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the “*Trademark Collateral*”):

(a) all of its Trademarks and all Trademark Licenses providing for the grant by or to the Grantor of any right under any Trademark, including those referred to on Schedule 1 hereto;

- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, there shall be no security interest or Lien on any Trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office).

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Guaranty and Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Guaranty and Security Agreement, the Guaranty and Security Agreement shall govern.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts (including by facsimile or other electronic means), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. **THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.** In addition, the provisions of Section 8.6, 8.7, 8.8 and 8.12 of the Guaranty and Security Agreement are incorporated herein by reference, *mutatis mutandis*.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

WEBIPLEX, INC., as Grantor
