This TRADEMARK ASSIGNMENT AGREEMENT (this "Agreement") is made as of this 11th day of August, 2021, by and among CROSCILL HOME, LLC (the "Assignor"), and E&E CO. LTD. (Assignee"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Asset Purchase Agreement (as hereinafter defined).

WHEREAS, Assignor and Assignee have executed and delivered an Asset Purchase Agreement, dated as of July 19, 2021 (the "Asset Purchase Agreement"), pursuant to which Assignee has agreed to purchase the Assets of Assignor, including Intellectual Property and associated goodwill, which includes the United States registered trademarks and common law trademarks listed on Schedule A hereto (the "Transferred Marks") and the goodwill associated therewith, including the historical trademark files.

NOW, THEREFORE, for the consideration set forth in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

1. Assignment. Subject to the terms and conditions set forth in the Asset Purchase Agreement, Assignor hereby sells, conveys, transfers, assigns, and delivers to Assignee all right, title, and interest of Assignor in and to the Transferred Marks, together with the goodwill of the business in connection with which the Transferred Marks are used, and all registrations and applications therefor and renewals and extensions of the foregoing in the United States and for all foreign countries that are or may be secured under the laws of the United States, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, or payments due or payable after the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Transferred Marks, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of Assignee's successors or assigns, and any other rights, privileges, claims, and causes of action relating or pertaining to the Transferred Marks, free and clear of all security interests, mortgages, liens, pledges, conditional sales or lease agreements, charges, claims or encumbrances.

2. Recordation. The parties authorize and request the Commissioner of Patents and Trademarks of the United States to record ownership of the Transferred Marks as the property of Assignee.

3. Further Assurances. Assignor shall, from time to time and for no further consideration, but at the cost and expense of Assignee for reasonable out-of-pocket expenses, timely execute and deliver any additional documents and perform such additional acts, and shall cause each of its affiliates to, timely execute and deliver any additional documents and perform such additional acts, necessary or reasonably requested by Assignee, to record and perfect the interest of Assignee in and to the Transferred Marks, and shall not enter into any agreement in conflict with this Agreement.

4. No Use of Transferred Marks by Assignor. Except as otherwise set forth in the Asset Purchase Agreement, Assignor, for itself and on behalf of Assignor's respective successors and assigns, covenant not to use, apply for, or register any of the Transferred Marks or use, apply for, or register any variation of the Transferred Marks or any word, design, domain name, or logo likely to be similar or confusingly similar with the Transferred Marks, for any purpose in the United States.

5. No Third Party Beneficiaries. This Agreement is not intended to, and shall not, confer upon any other person except the parties hereto any rights or remedies hereunder.

6. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other customary means of electronic submission (e.g., .pdf) shall be deemed binding for all purposes hereof, without delivery of an original signature page being thereafter required.
