RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

This RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (this "Release"), dated as of July 14, 2021 (the "Effective Date"), is made by Silicon Valley Bank, a California corporation ("Assignee"), in favor of Proofpoint, Inc. (as successor-in-interest to Intelisecure, Inc., the "Assignor").

WHEREAS, Assignor and Assignee entered into that certain Intellectual Property Security Agreement (as amended, modified, supplemented or restated from time to time, the "IP Security Agreement"), dated August 14, 2013;

WHEREAS, under the terms of the IP Security Agreement, Assignor granted to Assignee a security interest in the intellectual property, and the exclusive rights comprised in the intellectual property, including without limitation the trademark registrations and applications set forth on Schedule A hereto, to secure payment of a debt (collectively, the "Intellectual Property Collateral");

WHEREAS, pursuant to the IP Security Agreement, Assignor executed an Addendum to Intellectual Property Security Agreement (the "Addendum"), dated October 16, 2015, which was recorded with the United States Patent and Trademark Office on October 22, 2015, at Reel/Frame 005650/0483; and

WHEREAS, Assignee now desires to terminate and release the entirety of its security interest in the Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, Assignee hereby represents, warrants, covenants and agrees as follows:

1. Release. Assignee hereby irrevocably releases, discharges, terminates and cancels all of its security interest in the Intellectual Property Collateral arising under the IP Security Agreement and the Addendum. If and to the extent that Assignee has acquired any right, title or interest in, to, or under such Intellectual Property Collateral under the IP Security Agreement or the Addendum, Assignee hereby irrevocably re-transfers, re-conveys and re-assigns such right, title or interest to Assignor.

2. Termination. Assignee hereby terminates and cancels the IP Security Agreement and the Addendum.

3. Further Assurances. Assignee agrees to take all further actions, and provide to Assignor and its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments) reasonably requested by Assignor, at Assignor's sole cost and expense, to more fully and effectively effectuate the purposes of this Release.

IN WITNESS WHEREOF, Assignee has caused this Release to be duly executed by its officers thereunto duly authorized as of the Effective Date:

SILICON VALLEY BANK
