This TRADEMARK ASSIGNMENT, dated as of August 30, 2021 (this “Assignment”), is by and between ABL IP Holding LLC, a Georgia limited liability company (the “Assignee”), and ACUITY BRANDS LIGHTING, INC., a Delaware corporation (the “Assignor”). RECITALS

WHEREAS, the Assignor has agreed to assign, transfer and convey to the Assignee all of the Assignor’s right, title, and interest in and to the Marks set forth on Schedule 1 hereto (the “Transferred Marks”), and the Assignee has agreed to accept the Transferred Marks.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as follows:

1. Conveyance and Acceptance. The Assignor hereby assigns, transfers, conveys and delivers to the Assignee, and the Assignee hereby accepts, the Assignor’s respective right, title and interest in and to, the Transferred Marks, including the goodwill associated therewith and which is symbolized thereby, along with any and all rights to sue and recover for past, present and future infringement, misappropriation, misuse or violation with respect to the Transferred Marks, together with all rights under international treaties relating to the Transferred Marks.
2. Recordation. The Assignor hereby authorizes the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record the Assignee as the assignee and owner of the Transferred Marks and to deliver to the Assignee, and to the Assignee’s attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.
3. Governing Law; Dispute Resolution.
 - (a) This Assignment, and all claims or causes of action based upon, arising out of, or related to this Assignment or the transactions contemplated hereby, shall be governed by and construed in accordance with the Laws of the State of Delaware applicable to contracts executed and to be performed wholly within such State and without reference to the choice-of-law principles that would result in the application of the Laws of a different jurisdiction.
 - (b) Each of the Parties (i) consents to submit itself to the exclusive jurisdiction of the Court of Chancery of the State of Delaware in any proceeding arising out of or relating to this Assignment or any of the transactions contemplated hereby (or, if that court does not have subject matter jurisdiction over such Proceeding, the Superior Court of the State of Delaware (Complex Commercial Division)) or if the subject matter jurisdiction over such proceeding is

vested exclusively in the federal courts of the U.S., the United States District Court for the District of Delaware located in Wilmington, Delaware, (ii) agrees that all claims in respect of any such proceeding may be heard and determined in any such court, (iii) agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from any such court, (iv) agrees not to bring any Proceeding arising out of or relating to this Assignment or any of the transactions contemplated hereby (whether in contract, tort, common or statutory law, equity or otherwise) in any other court and (v) agrees that a final, non-appealable Judgment in any such proceeding will be conclusive and may be enforced in other jurisdictions by suit on the Judgment or in any other manner provided by applicable law. Each of the Parties waives any defense of inconvenient forum to the maintenance of any proceeding brought in accordance with this Section.

4. Further Assurances. The Assignor shall from time to time at the request of the Assignee, without any additional consideration, furnish the Assignee such further information or assurances, execute and deliver such additional documents, instruments and conveyances, and take such other actions and do such other things, as may be reasonably necessary or appropriate to carry out the provisions of this Assignment and give effect to the assignments herein, including all acts reasonably necessary to perfect, record or effectuate the assignment to the Assignee of ownership of the Transferred Marks.
