This **TRADEMARK SECURITY AGREEMENT**, dated as of September 1, 2021 (as amended, restated, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”), is made by North American Interconnect L.L.C. (the “**Grantor**”) in favor of JPMorgan Chase Bank, N.A., as Administrative Agent and Collateral Agent for the Secured Parties (in such capacity and together with its successors and permitted assigns, the “**Collateral Agent**”).

WHEREAS, the Grantor is party to a Security Agreement, dated as of September 1, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) between the Grantor and the other grantors party thereto and the Collateral Agent for the Secured Parties pursuant to which the Grantor granted a security interest to the Collateral Agent (on behalf of the Secured Parties) in the Trademark Collateral (as defined below) and are required to execute and deliver this Trademark Security Agreement.

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. GRANT OF SECURITY INTEREST

As collateral security for the payment or performance when due of the Secured Obligations, including the Guaranteed Obligations, the Grantor hereby pledges to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”); provided that, the Trademark Collateral shall not include any Excluded Assets (such as any intent-to-use Trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use Trademark application or any registration that issues therefrom under applicable federal law):

- (i) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (“**USPTO**”), including the registrations and registrations applications listed in

Schedule A hereto, or any similar offices in any State of the United States or any political subdivision thereof, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by the Grantor; and all goodwill connected with the use thereof and symbolized thereby,

(ii) all additions and improvements to the foregoing, renewals and extensions thereof, rights to sue or otherwise recover for any past, present and future infringements, dilutions, misappropriations or other violations thereof,

(iii) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and

(iv) all other rights, priorities and privileges corresponding to the foregoing throughout the world, and

SECTION 3. SECURITY AGREEMENT

In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. RECORDATION

The Grantor hereby authorizes and requests that the USPTO record this Trademark Security Agreement.

SECTION 5. TERMINATION

This Trademark Security Agreement shall terminate and the security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations (other than any outstanding indemnification obligations); provided that the security interest in the Trademark Collateral may also be released pursuant to Section 6.11(c) of the Security Agreement. Upon the termination of this Trademark Security Agreement, the Collateral Agent shall execute all documents, and make all filings, take all other actions reasonably requested by the Grantor to evidence and record the release of the security interests in the Trademark Collateral granted herein.
