RELEASE OF SECURITY INTERESTS IN TRADEMARKS

This RELEASE OF SECURITY INTERESTS IN TRADEMARKS is executed as of September 1, 2021 by **WELLS FARGO CAPITAL FINANCE, LLC** (“Wells Fargo”), as agent (in such capacity, together with its successors and permitted assigns, the “Agent”). Any capitalized term not otherwise defined herein shall have the meaning ascribed to it in the Trademark Agreement (as defined below).

WHEREAS, each of the entities listed on Schedule I attached hereof (each a “Grantor” and, collectively, the “Grantors”), entered into that certain Trademark Security Agreement, dated as of April 2, 2008 (the “Trademark Agreement”) with the Agent.

WHEREAS, pursuant to the Trademark Agreement, each Grantor granted to the Agent, as security for the Obligations, a continuing security interest in all of such Grantor’s right, title and interest in and to certain trademarks;

WHEREAS, such security interests in trademarks were recorded in the Trademark Division of the United States Patent and Trademark Office on April 14, 2008, at Reel 003759 and Frame 0693; and

WHEREAS, each Grantor has requested that the Agent release the liens and security interests granted to the Agent by the Grantor with respect to the Trademark Collateral, including but not limited to those Trademarks listed on Exhibit A attached hereto, together with (a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those referred to on Schedule I hereto; (b) all reissues, continuations or extensions of the foregoing; (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License and other General Intangibles with respect to the foregoing; and (d) all products and proceeds of the foregoing, including any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License; provided that, notwithstanding the foregoing, Trademark Collateral shall not include any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent to use trademark applications under the applicable federal law, provided that upon submission and acceptance by the PTO of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Trademark Collateral (the “Released Collateral”), and the Agent has agreed to do so.

For good and valuable consideration, receipt of which is hereby acknowledged, the Agent hereby:

(a) terminates, discharges and releases the liens and security interests granted by each Grantor to the Agent pursuant to any security agreement (including but not limited to the Trademark Agreement) in and to the Released Collateral;

(b) to the extent the Agent shall be deemed to have any right, title or interest in or to any of the Released Collateral, retransfers, reassigns, grants and conveys, without representation, warranty or recourse, to the applicable Grantor all of such right, title and interest, along with any goodwill in the Released Collateral; and

(c) agrees to sign any additional termination documents reasonably requested by any Grantor at such Grantor's cost and expense, including filings with the U.S. Patent and Trademark Office against the Released Collateral, as shall be necessary to effect the termination, release and discharge of all of the liens and security interests, each at Grantor's cost and expense.

This Release of Security Interests in Trademarks may be recorded with the U.S. Patent and Trademark Office and any other applicable location.

This Release of Security Interests in Trademarks shall be governed, and construed in accordance with, by the law of the State of New York without regard to conflict of laws principles thereof (other than Sections 5-1401 and 5-1402 of the New York General Obligations Law).
