TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is effective as of September 4, 2020, by and among (a)(i) Ecoco, Inc., an Illinois corporation ("Ecoco"), (ii) Talyoni LLC, an Illinois limited liability company ("Talyoni"), (iii) T.T. Beauty LLC d/b/a Master Well Comb Company, an Illinois limited liability company ("Master Well Comb"), and (iv) Ecoco Jax LLC, a Florida limited liability company ("Ecoco Jax") and together with Ecoco, Talyoni and Master Well Comb, "Assignors" and each, an "Assignor", and (b) Estyle Corp, LLC, a Delaware limited liability company ("Assignee"). Assignor and Assignee are sometimes individually referred to herein as a "Party" and collectively as the "Parties."

A. Assignors, Assignee and the other signatories thereto are parties to an Asset Purchase Agreement, dated as of the date hereof (as amended, supplemented, restated or otherwise modified from time to time, the "Purchase Agreement"), pursuant to which, among other things, Assignors have agreed to sell, convey, assign, transfer and deliver to Assignee, and Assignee has agreed to purchase, accept, and take from Assignors, the Marks (as defined below), together with the goodwill of the business connected with the use of, and symbolized by, the Marks. The execution and delivery of this Assignment is a condition to the closing of the transactions contemplated by the Purchase Agreement.

B. Capitalized terms used but not defined herein shall have the meaning assigned to such terms in the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors hereby agrees as follows:

1. Each Assignor does hereby assign to Assignee all of such Assignor's right, title, and interest in and to: (a) the trademarks set forth on Schedule 1 (the "Marks"), together with the goodwill of the business connected with the use of, and symbolized by, the Marks; (b) all rights of any kind whatsoever of such Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world; (c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and (d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Each Assignor acknowledges that, subsequent to the date hereof, such Assignor shall not claim to possess any right, title, or interest in or to such Marks and shall take no actions that would jeopardize the existence or enforceability of the Marks or Assignee's rights therein. Assignors will not adopt, use, register or seek to register any name or mark anywhere in the world that is identical to any of the Marks, or similar thereto, such that it could cause confusion, constitute a colorable imitation thereof, or suggest an association, sponsorship, and/or endorsement between Assignors and Assignee.

3. Each Assignor agrees to reasonably assist Assignee in every legal way to evidence, record, and perfect this Assignment and, if necessary, to register, enforce, maintain, and defend the assigned rights in the future. If Assignee is unable for any reason whatsoever to secure any Assignor's signature to any document it is entitled to under this Assignment, such Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as its agents and attorneys-in-fact with full power of substitution to act for and on its behalf and instead of such Assignor, to execute

and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by such Assignor.

4. Notwithstanding any other provision of this Assignment to the contrary, nothing contained in this Assignment shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the provisions, including the warranties, covenants, agreements, conditions, representations or, in general, any of the rights and remedies, or any of the obligations of Assignors set forth in the Purchase Agreement, nor shall this Assignment expand or enlarge any remedies under the Purchase Agreement. This Assignment is intended only to effect the transfer of certain property to be transferred pursuant to the Purchase Agreement and shall be governed entirely in accordance with the terms and conditions of the Purchase Agreement. Without limiting the foregoing, the Assignee acknowledges that the Assignors make no representations or warranties with respect to the Marks except as specifically set forth in the Purchase Agreement. In the event of any conflict between this Assignment and the Purchase Agreement, the Purchase Agreement shall control.

5. This Assignment shall be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of Law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of Laws of any jurisdiction other than those of the State of Delaware.

6. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Assignment shall become effective when duly executed and delivered by each Party. Counterparty signature pages to this Assignment may be delivered by facsimile or electronic delivery (e.g., by email of a PDF signature page) and each such counterpart signature page shall constitute an original for all purposes.

[Signature Page Follows]

IN WITNESS WHEREOF, Assignors have executed this Assignment as of the date first written above.
