TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this September 9, 2021, by and between Suveto Buyer, LLC, a Delaware limited liability company (the "Grantor") and Golub Capital Markets LLC, as the administrative agent for the Secured Creditors (in such capacity, together with its permitted successors and assigns, the "Agent").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement, dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among Suveto Intermediate LLC, a Delaware limited liability company, as Holdings, the Grantor, as the "Borrower" thereunder, the other Guarantors from time to time party thereto, the Lenders from time to time party thereto and the Agent, the Lenders are willing to extend credit and make certain other financial accommodations available to the Borrower pursuant to the terms and conditions thereof, but only upon the condition, among others, that the Loan Parties shall have executed and delivered to the Agent, for the benefit of the Secured Creditors, that certain Security Agreement, dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver to the Agent, for the benefit of the Secured Creditors, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement and/or the Credit Agreement, as applicable.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** The Grantor hereby unconditionally grants, collaterally assigns and pledges to the Agent, for the benefit of the Secured Creditors, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following, whether now owned or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and rights in and to exclusive Intellectual Property Licenses with respect to Trademarks to which it is a party, including those Trademarks referred to on Schedule I hereto;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(c) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License, (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License;

provided that, notwithstanding anything to the contrary in this Trademark Security Agreement, the Trademark Collateral shall exclude any United States intent-to-use trademark applications, to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law, *provided* that upon submission and acceptance by the United States Patent and Trademark Office of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Trademark Collateral.

3. **SECURITY FOR SECURED OBLIGATIONS.** This Trademark Security Agreement and the security interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantor to the Agent or the other Secured Creditors, but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under bankruptcy laws involving the Grantor.

4. **SECURITY AGREEMENT.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Agent, for the benefit of the Secured Creditors, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Secured Creditors with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

5. **COUNTERPARTS.** This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall together constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement.

[SIGNATURE PAGES FOLLOWS]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
