## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this “Agreement”), dated as of September 10, 2021, is made by ZYLOTECH MERGER SUB, LLC, a Delaware limited liability company and legal successor by merger to Zylotech, Inc. (the “Grantor”), in favor of CIBC BANK USA (the “Lender”).

### RECITALS

WHEREAS, Grantor has entered into an Amended and Restated Loan and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Loan Agreement”) with Terminus Software, Inc. (“Terminus”), Sigstr, Inc. (“Sigstr,” and together with Terminus, the “Borrowers”), the Grantor, the other Loan Guarantors party thereto and Lender, pursuant to which Lender has agreed to make certain loans to Grantor and pursuant to which Grantor has granted to Lender a security interest in substantially all the assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademark Collateral (as defined below), to secure the payment of all amounts owing by the Loan Parties under the Loan Agreement and the other Loan Documents (as defined in the Loan Agreement).

NOW, THEREFORE, in consideration of the mutual agreements set forth herein and in the Loan Agreement, Grantor does hereby grant to Lender a continuing security interest in all of Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each trademark registration and trademark application for registration, including, without limitation, each trademark registration and trademark application for registration referred to in Schedule 1 annexed hereto (other than “intent-to-use” trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable law), together with any renewals or extensions thereof, and all goodwill associated therewith; and
- (2) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement of any trademark or license thereof (items 1 and 2 being herein collectively referred to as the “Trademark Collateral”).

This security interest is granted in conjunction with the security interests granted to Lender pursuant to the Loan Agreement and is subject to limitations set forth therein. Each of Grantor and Lender hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Loan Agreement.

This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all

of which taken together shall constitute one and the same agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by Lender shall be deemed to be originals.

[signature page follows]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
