## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment") is entered into as of the 13<sup>th</sup> day of September, 2021, by and between BoxIt, LLC ("Assignor"), a Colorado limited liability company with its principal office at 7135 Austin Street, Forest Hills, NY 11375, and Catec Inc. ("Assignee"), a Delaware corporation with its principal office at 4601 Hollins Ferry Road, Halethorpe, MD 21227.

WHEREAS, Assignor owns the entire right, title, and interest in the mark and trademark registration set forth on Schedule A attached hereto (the "Mark"), together with the goodwill of the business, goods and services connected with and symbolized by the Mark;

WHEREAS, Assignor desires to assign the entire right, title and interest in and to the Mark to Assignee and Assignee desires to acquire the entire right, title and interest in and to the Mark; and

NOW THEREFORE, in exchange for good and valuable consideration the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below:

### 1. Assignment of Marks.

1.1 Assignor hereby sells, assigns, transfers and conveys to Assignee its entire right, title, interest, whether grounded in common law, state law or federal law, or otherwise, in and to the Mark in the United States and all jurisdictions outside the United States, together with all goodwill of the business, goods and/or services connected with and symbolized by the Mark and in and to all income, royalties, or damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present, or future infringement based on the Mark, (including, without limitation, the right to renew any existing registrations of the Mark, the right to apply for registrations within or outside the United States based in whole or in part upon the Mark, and any priority right that may arise from the Mark), the same to be held and enjoyed by Assignee as fully and entirely as said interest would have been enjoyed by Assignee had it been the original owner of the Mark.

1.2 Assignor authorizes the Assistant Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office, and any counterpart of jurisdictions outside the United States, to record the assignment and transfer of the registrations and/or applications for registration, as applicable, for the Mark to Assignee as assignee of Assignor's entire right, title and interest therein.

1.3 The rights transferred by this Assignment include the right to bring all legal actions related to the Mark and registration, including actions for any infringement, no matter whether the infringement occurred before or after this Assignment, and the right to recover damages for such infringement.

2. Documentation. Assignor agrees to cooperate with Assignee in executing any and all papers and documents requested by Assignee, now or in the future, which may be requested by Assignee that confer or aid in conferring ownership in the Mark to Assignee, and take any other actions as Assignee may deem necessary to secure for Assignee or its designee the rights herein assigned, all at Assignee's expense. As owner of the Mark, Assignee shall have the right to register the Mark in its name or any other name in all countries and to dispose of said rights in all countries and in all languages.

3. Effective Date and Term. This Agreement is duly executed by their authorized representatives as of the date first set forth above and shall be effective simultaneously therewith.

4. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to principles of conflict of law.
