## TRADEMARK AND DOMAIN NAME ASSIGNMENT

THIS TRADEMARK AND DOMAIN NAME ASSIGNMENT (the "Assignment") is made effective as of June 1, 2021 (the "Effective Date"), by and between Zoetis US LLC, a Delaware limited liability company located at 10 Sylvan Way, Parsippany, NJ 07054 ("Assignor") and Zoetis Services LLC, a Delaware limited liability company located at 10 Sylvan Way, Parsippany, NJ 07054 ("Assignee"). Assignor and Assignee are sometimes referred to herein individually as a "Party" and collectively as the "Parties." Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Asset Transfer Agreement (as defined herein).

WHEREAS, the Assignor is the owner of the trademark registrations, trademark applications and common law trademarks identified on Schedule A hereto (the "Assigned Trademarks"), as well as the owner of the domain names identified on Schedule B hereto (the "Assigned Domain Names") and together with the Assigned Trademarks, the "Assigned IP"; and

WHEREAS, pursuant to the Asset Transfer Agreement, dated as of the Effective Date, between Assignor and Assignee, (the "Asset Transfer Agreement") Assignor is assigning to the Assignee all of Assignor's right, title and interest in, to and under the Assigned IP;

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged and in consideration of the mutual agreements, provisions and covenants contained in this Assignment, the Parties, intending to be legally bound, hereby agree as follows:

1. Conveyance. Assignor hereby sells, assigns, transfers, and conveys to Assignee its entire right, title and interest in, to and under (a) the Assigned IP, for the United States and for all foreign countries, including any and all renewals and extensions and all rights of reversion and termination thereof and goodwill symbolized thereby (as applicable), and (b) the right to sue for and to recover damages and other remedies in respect of any past, present or future infringement or other unauthorized use of the Assigned IP.
2. Issuance and Recordation. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue trademarks on applications as described above, to issue any and all Assigned IP to Assignee, its successors and assigns, in accordance with the terms of this Assignment. Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign jurisdiction, to record Assignee as the assignee and owner of the applicable Assigned IP. Assignee shall have the right to record this Assignment with all applicable government authorities and registrars so as to perfect its ownership of the Assigned IP.
3. No Modification. Nothing contained in this Assignment is intended to or shall be deemed to modify, alter, amend or otherwise change any of the rights or obligations of Assignee or Assignor under the Asset Transfer Agreement or any other agreement entered into by the Parties or any of their affiliates. Without limiting the foregoing, in the event and to the extent that there shall be a conflict between the provisions of this Agreement and the provisions of the Asset Transfer Agreement, the Asset Transfer Agreement shall control.
4. Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.
5. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement and

shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that both Parties need not sign the same counterpart.

6. Interpretation. The Article and Section headings contained in this Assignment are solely for the purpose of reference, are not part of the agreement of the Parties and shall not in any way affect the meaning or interpretation of this Assignment.
7. Further Assurances. Assignor and Assignee hereby covenant and agree, without the necessity of any further consideration, to execute, acknowledge, and deliver any and all such other documents and take any such other action as may be reasonably necessary or appropriate to implement this Assignment and carry out the intent and purposes of this Assignment.
8. Governing Law. This Assignment shall be governed by and construed and interpreted in accordance with the laws of the State of New York.
9. Jurisdiction. Any judicial proceeding brought by either of the Parties hereunder against the other with respect to this Assignment may be exclusively brought in the courts of the State of Delaware, and, by its execution and delivery of this Assignment, Assignor (a) accepts, generally and unconditionally, the jurisdiction of such courts and irrevocably agrees to be bound by any judgment rendered thereby and (b) irrevocably waives any objection it may now or hereafter have as to the venue of any suit, action or proceeding brought in such a court or that such court is an inconvenient forum. Assignor consents that service of process upon it may be made by certified or registered mail, return receipt requested, at its address specified or determined above and service so made shall be deemed completed when received. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of Assignee to bring proceedings against Assignor in the courts of any other jurisdiction.
