TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “**Agreement**”) dated as of May 20, 2021 (“**Effective Date**”) by and between the entities listed on Exhibit A, attached hereto and made a part hereof (individually “**Assignor**” and collectively “**Assignors**”), the entities listed on Exhibit B, attached hereto and made a part hereof (individually “**Licensee**” and collectively “**Licensees**”) and N.V. Organon, a Netherlands naamloze vennootschap (nv), with a business address at Kloosterstraat 6 Oss, Netherlands 5349AB (“**Assignee**”, and each of Assignors, Licensees, and Assignee, a “**Party**” and collectively “**Parties**”).

WHEREAS, Merck & Co., Inc. (“**Merck Parent**”), has announced that it will be entering into a separation transaction (the “**Separation**”, and the separation and distribution agreement pursuant to which the Separation will be effected, the “**Separation Agreement**”, and the date of consummation of the Separation, the “**Separation Date**”) pursuant to which, among other things, Merck Parent will transfer to a newly formed independent entity (“**Organon**”) certain assets and liabilities as will be more particularly described in the Separation Agreement (the “**Organon Business**”); and

WHEREAS, Merck Parent (and its affiliates) and Organon (and its affiliates) have entered into a number of agreements, including the Separation Agreement in connection with the Separation (“**Transaction Documents**”); and

WHEREAS, Assignors are the legal owners and own all legal right, title and interest to their respective Trademarks, as listed on Schedules A and B (as further defined herein), and all goodwill connected with the use of and symbolized by the foregoing;

WHEREAS, Assignors and Licensees are parties to a certain Trademark License Agreement, dated as of May 20, 2021 (“**Trademark License**”), wherein Assignors are the party in the position of Licensor;

WHEREAS, in connection with and in anticipation of the Separation, Assignors desire to assign to Assignee, and Assignee desires to accept and assume, all of Assignors’ right, title and interest in and to the Trademarks, and all goodwill connected with the use of and symbolized by the foregoing;

WHEREAS, in connection with and in anticipation of the Separation, Assignors desire to assign to Assignee, and Assignee desires to accept and assume, all of Assignors’ right, title and interest in and to the Trademark License, and Licensees agree to such assignment;

WHEREAS, as of the Separation Date, Assignee will be the successor-in-interest to the ongoing and existent Organon Business; and with regard to the Trademarks filed in the United States, this transfer of the Organon Business satisfies the requirement of Section 10 of the United States Trademark Act, 15 U.S.C. § 1060;

NOW, THEREFORE, for the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment. Pursuant to and subject to the terms and conditions of the Agreement, Assignors, as of the Effective Date, hereby irrevocably sell, convey, transfer and assign to Assignee, and its successors and assigns, and Assignee hereby accepts, Assignors' entire right, title and interest in, to and under (i) the trademarks set forth in Schedules A and B hereto, and any renewals thereof, all registrations that have been or may be granted thereon, all applications for registrations thereof, and all common law rights thereto and all goodwill connected with the use of and symbolized by the foregoing, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this Agreement had not been made, together with (ii) the rights to all causes of action (whether known or unknown or whether currently pending, filed or otherwise) and other enforcement rights under, or on account of, any of the Trademarks, including the right to sue and recover damages and obtain equitable relief for past, present and future infringement, misappropriation, dilution or other violation, except as otherwise agreed to by the Parties (iii) the rights to collect income, royalties, damages and other payments due or payable under or on account of any of the Trademarks, as of the Effective Date or thereafter, such rights being subject to prior third party rights or claims or other agreement between the Parties, (iv) the right, if any, to claim priority based on the filing dates of the Trademarks under any Law, (v) the right to prosecute, register, maintain and defend the Trademarks before any public or private agency, office or registrar, and (vi) the right to fully and entirely stand in the place of Assignors in all matters related to the Trademarks (individually, "**Schedule A Trademarks**" and "**Schedule B Trademarks**;" collectively, the "**Trademarks**").

2. Assignment of License. Pursuant to and subject to the terms and conditions of the Agreement, Assignors, as of the Effective Date, hereby irrevocably sell, convey, transfer and assign to Assignee, and its successors and assigns, and Assignee hereby accepts, Assignors' entire right, title and interest in, to and under the Trademark License, and the Licensees agree to such assignment.

3. Unregistered Trademarks. To the extent that Assignors as of the Effective Date own a specific unregistered trademark in a given jurisdiction and utilizes such unregistered trademark specifically and solely in connection with an Organon Product (as such term is defined in the Separation Agreement) in such jurisdiction, Assignors hereby assign to Assignee the right to use such unregistered trademark solely for use in connection with such Organon Product for the use and in the jurisdiction where such unrecorded trademark was so used as of the Effective Date, and Assignor retains all other uses and rights in and to such unregistered trademark.

4. Cooperation: Schedule A Trademarks At any time, and from time to time after the Effective Date, at Assignee's expense, the Parties shall, and shall cause their employees, affiliates, successors and assigns to, execute and deliver such other instruments of sale, transfer, conveyance, assignment and confirmation and take such other action, as the Parties may reasonably deem necessary or desirable in order to effect the intent of this Agreement and perfect or otherwise enable the transfer, conveyance and assignment to Assignee and to confirm Assignee's title to the Schedule A Trademarks and any and all trademark applications and registrations thereof. In the event of any conflict between this Agreement and documents or

forms filed to confirm Assignee's title to the Schedule A Trademarks, the provisions of this Agreement shall control.

5. Recordation. The Parties agree that with regard to the Schedule B Trademarks, Assignors shall have no responsibility to record the assignment and perfect Assignee's title, in to and under the Schedule B Trademarks.

6. DISCLAIMER: LIMITATION OF LIABILITY NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, THE TRADEMARKS ARE ASSIGNED AND ASSUMED ON AN "AS IS" BASIS WITH NO REPRESENTATIONS OR WARRANTIES, AND ASSIGNORS HEREBY EXCLUDE AND DISCLAIM ANY EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES OF ANY KIND.

7. MERCHANTABILITY. WITH RESPECT TO THE TRADEMARKS, ASSIGNOR EXPRESSLY DISCLAIMS ALL REPRESENTATIONS, WARRANTIES AND COVENANTS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING THOSE REGARDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT AND ANY WARRANTIES IMPLIED BY ANY COURSE OF DEALING OR TRADE USAGE. ASSIGNORS SHALL NOT BE LIABLE UNDER ANY LEGAL OR EQUITABLE THEORY FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES OF ANY KIND IN CONNECTION WITH THIS AGREEMENT EVEN IF ASSIGNEE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

8. Force Majeure. Neither Party shall be liable for failure or delay in performing any of its obligations under or pursuant to this Agreement if such failure or delay is due to any cause whatsoever outside its reasonable control, and it shall be entitled to a reasonable extension of the time for performing such obligations as a result of such cause.

9. General Provisions

- a. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.
- b. Entire Agreement. This Agreement, together with all attachments hereto, the Separation Agreement (once entered into) and the other Transaction Documents constitutes the entire agreement between the Parties hereto and shall supersede and take the place of any and all agreements, documents, minutes of meetings, or letters concerning the subject matter hereof that may, prior to the Effective Date, be in existence.
- c. Amendments. This Agreement may not be supplemented, altered, or modified in any manner except by a writing signed by the Parties.
- d. Further Assurances. Each Party agrees to execute such further papers, agreements, documents, instruments and the like as may be necessary or desirable to effect the purpose of this Agreement and to carry out its provisions

- e. Waiver. The failure of a Party to enforce any terms or provisions of this Agreement shall not result in the waiver by such Party of any of its rights under such terms or provisions.
- f. Severability. If any provision of this Agreement is determined to be invalid or unenforceable, then the remainder of the Agreement shall remain valid and enforceable as if the Agreement did not contain the invalid or unenforceable provision.
- g. Binding Nature of Agreement. This Agreement shall be binding on and shall inure to the benefit of the Parties to this Agreement and their successors and assigns, if any.

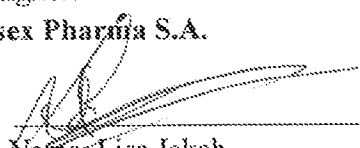

10. Governing Law. This Agreement shall be subject to and governed by the laws of the State of New York without regard to the conflict of law rules of such state.
