SECTION 2. Grant of Security. Each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest, whether now owned or hereafter acquired or arising in, to and under the Trademarks, including the Trademarks set forth on Schedule A attached hereto and the goodwill of the business symbolized thereby or associated therewith, together with (a) all rights and privileges arising under applicable Law with respect to such Grantor's use of such Trademarks, (c) all extensions and renewals thereof and amendments thereto, (d) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the foregoing, including damages, claims and payments for past, present or future infringements thereof, (e) all rights corresponding thereto throughout the world and (f) all rights to sue for past, present and future infringements or dilutions thereof or other injuries thereto.
