(the “Borrower”), Mattress Holding Corp., the Lenders (as defined in the Credit Agreement) party thereto from time to time and Barclays Bank PLC, as Administrative Agent and Collateral Agent, (ii) each Secured Hedge Agreement (as defined in the Credit Agreement) and (iii) each agreement relating to Cash Management Services (as defined in the Credit Agreement). Whereas, as a condition precedent to the Lenders extension of such credit, the obligation of the Hedge Banks to enter into and/or maintain such Secured Hedge Agreements and the obligation of the Cash Management Banks to enter into and/or maintain such Cash Management Services, each Grantor has executed and delivered that certain ABL Security Agreement dated September 24, 2021 among the Grantors, the other Loan Parties (as defined in the Credit Agreement) and the Collateral Agent (as amended, supplemented or otherwise modified from time to time, the “Security Agreement”).

Whereas, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Terms. Terms defined in the Credit Agreement and Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement and Security Agreement.

SECTION 2. Grant of Security. Each Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest, whether now owned or hereafter acquired or arising in, to and under the Trademarks, including the Trademarks set forth on Schedule A attached hereto and the goodwill of the business symbolized thereby or associated therewith, together with (a) all rights and privileges arising under applicable Law with respect to such Grantor's use of such Trademarks, (c) all extensions and renewals thereof and amendments thereto, (d) all income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the foregoing, including damages, claims and payments for past, present or future infringements thereof, (e) all rights corresponding thereto throughout the world and (f) all rights to sue for past, present and future infringements or dilutions thereof or other injuries thereto. Notwithstanding the foregoing, no security interest is granted hereunder in any Excluded Asset.

SECTION 3. Security for Obligations. The grant of a security interest in the Trademarks by each Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 5. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 7. ABL/Term Intercreditor Agreement. Notwithstanding anything herein to the contrary, (i) the priority of the liens and security interests granted to the Collateral Agent on any Collateral pursuant to this Trademark Security Agreement are expressly subject to the terms of the ABL/Term Intercreditor Agreement and (ii) the exercise of any right or remedy by the Collateral Agent hereunder with respect to the Collateral is subject to the limitations and provisions contained in the ABL/Term Intercreditor Agreement. In the event of any conflict between the terms of the ABL/Term Intercreditor Agreement and the terms of this Trademark Security Agreement, the terms of the ABL/Term Intercreditor Agreement shall govern.
