PATENT AND TRADEMARK SECURITY AGREEMENT

This Agreement, dated as of September 13, 2021, is between **LYMAN PRODUCTS CORPORATION**, a Connecticut corporation having a place of business at 475 Smith Street, Middletown, Connecticut 06457 ("Debtor") and **PEOPLE'S UNITED BANK, NATIONAL ASSOCIATION**, a national banking association organized under the laws of the United States having a place of business at 265 Church Street, New Haven, Connecticut 06510 (the "Secured Party").

BACKGROUND

1. Secured Party has agreed to make a \$6,000,000 revolving loan and a \$1,500,000 capex loan to Debtor (as Amended, the "Loans").
2. The Loans are more particularly described in a Commercial Loan Agreement of even date between Secured Party and Debtor (as Amended, the "Loan Agreement").
3. As a condition to extending credit to or for the account of Debtor, Secured Party has required the execution and delivery of this Agreement by Debtor.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms not otherwise defined herein shall have the meanings set forth in the Loan Agreement. In addition, the following terms have the meanings set forth below:

"Obligations" means each and every debt, liability and obligation of every type and description arising under or in connection with any Loan Document which Debtor may now or at any time hereafter owe to Secured Party, whether such debt, liability or obligation now exists or is hereafter created or incurred and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, independent, joint, several or joint and several, and including specifically, but not limited to, the Obligations as defined in the Loan Agreement.

"Patents" means all of Debtor's right, title and interest in and to patents or applications for patents, fees or royalties with respect to each, and including without limitation the right to sue for past infringement and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on Exhibit A.

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of Debtor's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, (iv) and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit B.

2. Security Interest. Debtor hereby irrevocably pledges and assigns to, and grants Secured Party, a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Patents and in the Trademarks to secure payment of the Obligations. The Security Interest is coupled with a security interest in substantially all of the personal property of Debtor. This Agreement grants only the Security Interest

herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Representations, Warranties and Agreements. Debtor represents, warrants and agrees as follows:

(a) **Existence; Authority.** Debtor is a corporation duly organized, validly existing and in good standing under the laws of its state of formation, and this Agreement has been duly and validly authorized by all necessary organizational action on the part of Debtor.

(b) **Patents.** Exhibit A accurately lists all Patents owned or controlled by Debtor as of the date hereof, or to which Debtor has a right as of the date hereof to have assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to Patents as of the date hereof. If after the date hereof, Debtor owns, controls or has a right to have assigned to it any Patents not listed on Exhibit A, or if Exhibit A ceases to accurately reflect the existence and status of applications and letters patent pertaining to the Patents, then Debtor shall within 60 days (or such longer period as agreed by Secured Party in its sole discretion) provide written notice to Secured Party with a replacement Exhibit A, which upon acceptance by Secured Party shall become part of this Agreement.

(c) **Trademarks.** Exhibit B accurately lists all Trademarks owned or controlled by Debtor as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit B need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to Debtor's business(es). If after the date hereof, Debtor owns or controls any Trademarks not listed on Exhibit B (other than common law marks which are not material to Debtor's business(es)), or if Exhibit B ceases to accurately reflect the existence and status of applications and registrations pertaining to the Trademarks, then Debtor shall within 60 days (or such longer period as agreed by Secured Party in its sole discretion) provide written notice to Secured Party with a replacement Exhibit B, which upon acceptance by Secured Party shall become part of this Agreement.

(d) [Reserved].

(e) **Title.** Debtor has absolute title to each Patent and each Trademark listed on Exhibits A and B, free and clear of all Liens except Permitted Encumbrances. Debtor (i) will have, at the time Debtor acquires any rights in Patents or Trademarks hereafter arising, absolute title to each such Patent or Trademark free and clear of all Liens except Permitted Encumbrances, and (ii) will keep all Patents and Trademarks free and clear of all Liens except Permitted Encumbrances.

(f) **No Sale.** Except as permitted in the Loan Agreement, Debtor will not assign, transfer, encumber or otherwise dispose of the Patents or Trademarks, or any interest therein, without Secured Party's prior written consent.

(g) **Defense.** Debtor will, at its own expense, and using commercially reasonable efforts, protect and defend the Patents and Trademarks against all claims or demands of all Persons other than those holding Permitted Encumbrances.

(h) **Maintenance.** Debtor will, at its own expense, take commercially reasonable steps to maintain the Patents and the Trademarks, including, but not limited to, filing all applications to obtain letters patent or trademark registrations and all affidavits, maintenance fees, annuities, and renewals

possible with respect to letters patent, trademark registrations and applications therefor. Debtor covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Patent or Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing Secured Party: (i) sufficient written notice, of at least thirty (30) days, to allow Secured Party to timely pay any such maintenance fees or annuities which may become due on any Patents or Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable. For the purposes of clarity, nothing in this Agreement shall require Debtor to maintain a Patent or Trademark registration or continue using a Trademark if Debtor determines in its reasonable discretion that it is not commercially reasonable to do so.

(i) **Secured Party's Right to Take Action.** If Debtor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of thirty (30) calendar days after Secured Party gives Debtor written notice thereof (or, in the case of the agreements contained in subsection (h), immediately upon the occurrence of such failure, without notice or lapse of time), or if Debtor notifies Secured Party that it intends to abandon a Patent or Trademark, Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of Debtor (or, at Secured Party's option, in Secured Party's own name) and may (but need not) take any and all other actions which Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(j) **Costs and Expenses.** Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, Debtor shall pay Secured Party within ten (10) days after demand the amount of all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Secured Party in connection with or as a result of Secured Party taking action under Subsection (i) or exercising its rights under Section 6, together with interest at the Default Rate accruing thereon if not paid upon demand.

(k) **Power of Attorney.** To facilitate Secured Party taking action under Subsection (i) and exercising its rights under Section 6, Debtor hereby irrevocably appoints (which appointment is coupled with an interest) Secured Party, as the attorney-in-fact of Debtor with the right (but not the duty) from time to time, while an Event of Default exists, to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of Debtor, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by Debtor under this Section 3, or, if necessary for Secured Party, while an Event of Default exists, to enforce or use the Patents or Trademarks or to grant or issue any exclusive or non-exclusive license under the Patents or Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Patents or Trademarks to any third party. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the payment and performance of all Obligations.

4. **Debtor's Use of the Patents and Trademarks.** Debtor shall be permitted to control and manage the Patents and Trademarks, including the right to exclude others from making, using or selling items covered by the Patents and Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default exists.

5. **Events of Default.** Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Loan Agreement, shall exist; or (b) Debtor shall fail promptly to observe or perform any covenant or agreement herein

binding on it; or (c) any of the representations or warranties contained in Section 3 of this Agreement shall prove to have been incorrect in any material respect when made.

6. Remedies. While an Event of Default exists, Secured Party may, at its option, take any or all of the following actions:

(a) Secured Party may exercise any or all remedies available under the Loan Agreement and any of the other Loan Documents.

(b) Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Patents and Trademarks and apply, toward the Obligations, the consideration and/or proceeds received in connection therewith.

(c) Secured Party may enforce the Patents and Trademarks and any licenses thereunder, and if Secured Party commences any suit for such enforcement, Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by (a) Secured Party and (b) Debtor, with respect to any amendments, modifications or waivers that impose additional Obligations on Debtor. A waiver signed by Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the rights or remedies of Secured Party. All rights and remedies of Secured Party shall be cumulative and may be exercised singularly or concurrently, at Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given Debtor under this Agreement shall be given in the manner and with the effect provided in the Loan Agreement. Secured Party shall not be obligated to preserve any rights Debtor may have against prior parties, to realize on the Patents and Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Patents and Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Debtor and Secured Party, and their respective participants, successors and assigns. Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by Debtor shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of the State of Connecticut without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AGREEMENT.

PJR WAIVER. DEBTOR ACKNOWLEDGES THAT THIS AGREEMENT EVIDENCES A COMMERCIAL TRANSACTION AND THAT IT COULD, UNDER CERTAIN CIRCUMSTANCES, HAVE THE RIGHT UNDER CHAPTER 903a OF THE CONNECTICUT GENERAL STATUTES (AS FROM TIME TO TIME AMENDED), SUBJECT TO CERTAIN LIMITATIONS, TO NOTICE OF AND HEARING

ON THE RIGHT OF SECURED PARTY TO OBTAIN A PREJUDGMENT REMEDY, SUCH AS ATTACHMENT, GARNISHMENT AND/OR REPLEVIN, UPON COMMENCING ANY LITIGATION AGAINST DEBTOR. NOTWITHSTANDING, DEBTOR HEREBY WAIVES ALL RIGHTS TO NOTICE, JUDICIAL HEARING OR PRIOR COURT ORDER TO WHICH IT MIGHT OTHERWISE HAVE THE RIGHT UNDER SAID CHAPTER 903a OF THE CONNECTICUT GENERAL STATUTES (AS FROM TIME TO TIME AMENDED), OR UNDER ANY OTHER STATE OR FEDERAL STATUTE OR CONSTITUTION IN CONNECTION WITH THE OBTAINING BY SECURED PARTY OF ANY PREJUDGMENT REMEDY BY REASON OF THIS AGREEMENT, OR BY REASON OF DEBTOR'S OBLIGATIONS OR ANY RENEWALS OR EXTENSIONS OF THE SAME. DEBTOR ALSO WAIVES ANY AND ALL OBJECTION WHICH IT MIGHT OTHERWISE ASSERT, NOW OR IN THE FUTURE, TO THE EXERCISE OR USE BY SECURED PARTY OF ANY RIGHT OF SETOFF, REPOSSESSION OR SELF HELP AS MAY NOW OR HEREAFTER EXIST UNDER STATUTE OR COMMON LAW.
