WHEREAS

- A. The Assignor has assigned the Intellectual Property Rights (as defined below) to the Assignee on the date of this Assignment.
- B. In this context, the parties have agreed to enter into this Assignment.

NOW IT IS HEREBY AGREED as follows:

1. The definitions and rules of interpretation in this clause apply in this Assignment:

Intellectual Property Rights means the registered trademarks and trademark applications set out in Schedule 1.
2. In consideration of adequate consideration (receipt and sufficiency of which the Assignor expressly acknowledges), the Assignor hereby confirms the assignment to the Assignee exclusively all its rights, title and interest including all Intellectual Property Rights.
3. The transfer and assignment confirmed at clause 2 shall include, without limitation: (a) all such right, title and interest, rights of action, powers and benefits arising or accruing from ownership of the Intellectual Property Rights, including without limitation all rights to bring any proceedings and obtain any remedy in respect of any infringement of the Intellectual Property Rights, irrespective of when such infringement occurred or occurs; (b) the absolute and exclusive entitlement to any registrations granted pursuant to any of the applications comprised in the Intellectual Property Rights which includes the right to sue and collect for past damages; (c) all rights to claim priority (where applicable); (d) all rights to any continuations, continuations in part, divisions, extensions, amendments, conversions, re-issues, re-examinations, renewals or restorations of and/or registrations granted in respect of the Intellectual Property Rights; (e) all statutory and common law rights attaching to the Intellectual Property Rights and the goodwill of the Assignor relating to the Intellectual Property Rights; and (f) all other such right, title and interest as the Assignor has in the Intellectual Property Rights for the full term thereof.
4. If any provision or part-provision of this Assignment is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Assignment.
