## NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that, pursuant to that certain Security Agreement, dated as of September 17, 2021 (as the same may be amended, restated, amended and restated, supplemented, extended, and/or otherwise modified in writing from time to time, the "Security Agreement"), by and among JUNGLE DISK, LLC, a Delaware limited liability company (the "Grantor"), and TEXAS CAPITAL BANK, as administrative agent (the "Administrative Agent") for the Secured Parties referenced therein, the undersigned Grantor has, in accordance with the terms of the Security Agreement, granted a continuing security interest in, and a right to set off against, the trademarks and trademark applications identified on Schedule I attached hereto, and all extensions and renewals thereof, to the Administrative Agent, for the benefit of the Secured Parties.

Notwithstanding the foregoing, pursuant to the terms of the Security Agreement, no security interest has been granted with respect to any United States federal "intent to use" trademark or service mark applications for which a statement of use has not been filed (but only until such statement is filed).

The undersigned Grantor and the Administrative Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the foregoing trademarks and trademark applications: (i) may only be terminated in accordance with the terms of the Security Agreement; (ii) is not to be construed as an assignment of any trademark or trademark application; and (iii) Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the foregoing made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein and that in the event that any provision of this notice is deemed to conflict with the Security Agreement, the Security Agreement shall control. This Notice of Grant of Security Interest in Trademarks may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.
