TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this “Assignment”) is executed as of May 10, 2021 by Houghton Mifflin Harcourt Publishing Company, a Massachusetts corporation (“Seller”), for the benefit of HarperCollins Publishers L.L.C., a Delaware limited liability company (“Buyer”). Seller and Buyer are together referred to herein as the “Parties”.

RECITALS

WHEREAS, Seller is the owner of all rights, titles and interests in and to the trademarks and applications and registrations therefor set forth on Schedule A hereto and incorporated herein, including all common law and other rights therein and all of the goodwill associated therewith and symbolized thereby (the “Trademarks”)

WHEREAS, on March 26, 2021, the Parties entered into an Asset Purchase Agreement (the “Purchase Agreement”); and

WHEREAS, pursuant to the Purchase Agreement, Seller agreed to sell, convey, assign and transfer, and desires to sell, convey, assign and transfer, all of Seller’s rights, titles, and interests in and to the Trademarks to Buyer, and Buyer desires to receive all rights, titles, and interests in and to the Trademarks;

NOW, THEREFORE, in consideration of the covenants and agreements contained in this Assignment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Seller, by its execution of this Assignment, and Buyer, by its acceptance of this Assignment, agree as follows:

1. Assignment. Seller does hereby irrevocably sell, convey, assign and transfer to Buyer, its successors and assigns, and Buyer purchases and accepts from Seller, all of Seller’s rights, titles, and interests in and to the Trademarks; all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity, that Seller has or may have in profits and damages for past, present and future infringements of the Trademarks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Buyer, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Seller if this assignment had not been made. Seller further consents to recordation of this Assignment by Buyer, including with the United States Patent and Trademark Office or successor offices.

2. Terms of Purchase Agreement. The representations, warranties, covenants and agreements contained in the Purchase Agreement shall not be superseded hereby. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern and control. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement.

3. Governing Law. This Assignment and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Assignment, or the negotiation, execution or performance of this Assignment shall be governed by and construed in accordance with the internal laws

of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Delaware.

4. No Modifications. This Assignment may not be supplemented, altered or modified in any manner except by a writing signed by both Parties.

5. Successors and Assigns. This Assignment shall bind and shall inure to the benefit of the respective Parties and their assigns, transferees, and successors.

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, Seller has caused this Trademark Assignment to be duly executed and delivered as of the date first above written.
