**NOTICE OF GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

THIS NOTICE OF GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (the "Notice of Grant") is made effective as of September 30, 2021 by and from the entities listed on the signature pages hereto (each such entity, together with any other entities that become party to this Notice of Grant, being individually referred to herein as a "Grantor" and collectively as the "Grantors"), to and in favor of Wilmington Trust, National Association, solely in its capacity as Collateral Agent (the "Collateral Agent") for itself and on behalf and for the benefit of the other First Lien Notes Secured Parties (as defined in the Indenture referenced below).

WHEREAS, WEATHERFORD INTERNATIONAL PLC, an Irish public limited company, WEATHERFORD INTERNATIONAL LTD., a Bermuda exempted company, WEATHERFORD INTERNATIONAL, LLC, a Delaware limited liability company, the other Guarantors from time to time party thereto, the Collateral Agent and Wilmington Trust, National Association, as Trustee, are parties to the Indenture dated as of September 30, 2021 (as the same may be further amended, restated, supplemented or otherwise modified from time to time, the "Indenture").

WHEREAS, the Grantors and the other grantors from time to time party thereto have entered into the U.S. Security Agreement dated as of September 30, 2021 (as the same may further be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

WHEREAS, the Grantors own certain Trademarks (as defined in the Security Agreement), including without limitation the Trademarks listed on Exhibit A attached hereto, which Trademarks are pending or registered with the United States Patent and Trademark Office.

WHEREAS, this Notice of Grant has been granted in conjunction with the security interest granted to the Collateral Agent under the Security Agreement. The rights and remedies of the Collateral Agent with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Notes Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Notice of Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meanings given to them in the Indenture or the Security Agreement, as applicable.

2) The Security Interest.

(a) This Notice of Grant is made to secure the satisfactory performance and payment of the Indenture Obligations. Upon satisfaction of the Indenture Obligations in accordance with Sections 1502 and 1507 of the Indenture, the Collateral Agent shall, at the Grantors' expense, promptly execute, acknowledge, and deliver to the Grantors all instruments in writing or otherwise, as reasonably requested by the Grantors in writing, evidencing the release of the security interest in the Trademarks acquired under this Notice of Grant. Notwithstanding the foregoing, the security interest in the Trademarks acquired under this Notice of Grant shall automatically be released and the Collateral Agent shall, at the Grantors' expense, promptly execute, acknowledge and deliver to the Grantors all instruments in writing or otherwise, as reasonably requested by the Grantors in writing, evidencing such

release, in each case, to the extent provided in and in accordance with the Indenture and the Security Agreement.

(b) Each Grantor hereby pledges, assigns and grants to the Collateral Agent, on behalf of and for the benefit of the First Lien Notes Secured Parties, a security interest in (1) all of such Grantor's right, title and interest in and to the Trademarks now owned or hereafter acquired by such Grantor, including without limitation the Trademarks listed on Exhibit A, together with (2) all proceeds and products of the Trademarks, (3) the goodwill associated with such Trademarks, and (4) all causes of action arising prior to or after the date hereof for infringement or other violation of the Trademarks or unfair competition regarding the same (collectively, the "Trademark Collateral").

3) Counterparts. This Notice of Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed counterpart of a signature page of this Notice of Grant by telecopy, e-mailed.pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Notice of Grant.

4) Further Actions. The Grantors authorize and request that the Commissioner for Trademarks of the United States Patent and Trademark Office and any other applicable government officer record this Notice of Grant. The Grantors shall take any further actions, including executing any further documentation, necessary to record, perfect or effectuate this Notice of Grant and the Collateral Agent's security interest in the Trademark Collateral.

5) Authorization to Supplement. If any Grantor shall obtain rights to any new Trademarks, the provisions of this Notice of Grant shall automatically apply thereto. Such Grantor hereby authorizes the Collateral Agent, in consultation with such Grantor, to modify this Notice of Grant by amending Exhibit A solely to include any such new Trademarks of such Grantor. Notwithstanding the foregoing, no failure to so modify this Notice of Grant or amend Exhibit A shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Trademark Collateral, whether or not listed on Exhibit A.

6) Governing Law. This Notice of Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the internal laws of the State of New York.

7) Concerning the Collateral Agent. Wilmington Trust, National Association is entering into this Notice of Grant solely in its capacity as Collateral Agent under the Indenture and not in its individual or corporate capacity.
