TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of October 4, 2021 (“**Agreement**”), is made by WERNER CO., a Delaware corporation (the “**Grantor**”), in favor of JPMORGAN CHASE BANK, N.A., in its capacity as collateral agent (the “**Collateral Agent**”). Unless otherwise defined herein, capitalized terms defined in the Pledge and Security Agreement (as defined below) and used herein have the meaning given to them in the Pledge and Security Agreement.

WITNESSETH:

For good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to the Collateral Agent a lien on and a continuing security interest in all of the Grantor’s rights, title and interest in, to and under all its United States trademarks (the “**Trademarks**”) including, without limitation, the Trademarks set forth on Schedule A attached hereto, in each case together with all Proceeds and products of the Trademarks, all goodwill associated therewith, and all rights to sue at law or in equity for any infringement or other impairment thereof, including the right to receive all proceeds and damages therefrom.

This Agreement is made to secure the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all the Secured Obligations of the Grantor, as such term is defined in the ABL Credit Facility U.S. Pledge and Security Agreement among the Grantor, the other assignors from time to time party thereto, the Collateral Agent and certain other parties from time to time party thereto, dated as of July 24, 2017 (as amended, modified, restated, amended and restated and/or supplemented from time to time, the “**Pledge and Security Agreement**”).

This Agreement has been granted in conjunction with the security interest granted to the Collateral Agent under the Pledge and Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of the Collateral Agent with respect to the security interest granted herein are as set forth more fully in the Pledge and Security Agreement, all terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provisions of this Agreement are deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall govern.

Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Agreement.
