## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “Trademark Assignment Agreement”), effective as of October 4, 2021 (the “Effective Date”), is entered into by and between MTN Infrastructure TopCo Blocker, Inc., a Delaware corporation (the “Company”), certain of the Company’s Subsidiaries that are identified on the signature pages hereto (each individually, an “Assignor” and together with the Company, the “Assignors”) and Gridiron Fiber Corp., a Delaware corporation (“ResCo” or “Assignee”). Assignors and Assignee are each referred to individually as a “Party” and together as the “Parties.”

WHEREAS, pursuant to and in connection with (i) the Agreement and Plan of Merger dated as of April 26, 2021, (the “Merger Agreement”), among Company, Assignee, Cox Communications, Inc. (“Parent”) and certain other parties and (ii) the Trademark and Domain Name Assignment and License Agreement dated October 4, 2021 (the “IP Assignment and License Agreement”), Assignors have agreed to assign to Assignee and Assignee has agreed to accept, all of Assignors’ right, title and interest in certain of the Assignors’ Trademarks set forth in Schedule A (the “Assigned Marks”);

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. Certain Defined Terms. Capitalized terms that are used but not defined herein shall have the meanings ascribed thereto in the Merger Agreement or the IP Assignment and License Agreement, as applicable.

SECTION 2. Assignment. Assignors hereby assign to the Assignee, free and clear of all Liens, all of Assignors’ right, title and interest in, to and under the Assigned Marks, including all common law rights therein, together with any and all goodwill connected with the use of and symbolized by such Assigned Marks.

SECTION 3. Recordation. Assignors hereby authorize Assignee to record this Trademark Assignment Agreement with any relevant governmental authority so as to perfect its ownership of the Assigned Marks. Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office, officials of corresponding entities or agencies in any applicable jurisdictions, and any other relevant authority, to transfer all registrations and registration applications for the Assigned Marks to Assignee as assignee of Assignors’ right, title and interest therein, in accordance with this Trademark Assignment Agreement.

SECTION 4. Further Assurances. From and after the Effective Date, upon Assignee’s reasonable request and for no additional consideration, Assignors shall cooperate with Assignee to take all further actions and execute all further documents to effect and validate the assignment in Section 2.

SECTION 5. Subject to Merger Agreement and IP Assignment and License Agreement. This Trademark Assignment Agreement is being executed solely to give effect to the

transactions contemplated by the Merger Agreement and the IP Assignment and License Agreement. Nothing in this Trademark Assignment Agreement, express or implied, is intended to, or will be construed to, modify, expand or limit in any way the terms of the Merger Agreement or the IP Assignment and License Agreement. To the extent that any provision of this Trademark Assignment Agreement conflicts or is inconsistent with the terms of the Merger Agreement or the IP Assignment and License Agreement, the Merger Agreement or the IP Assignment and License Agreement will govern, as applicable.

SECTION 6. Governing Law. This Trademark Assignment Agreement and any disputes arising from or relating hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of Laws.

SECTION 7. Counterparts; Delivery by Email. This Trademark Assignment Agreement and any amendment, restatement, supplement or other modification hereto or waiver hereunder, (i) may be executed in any number of counterparts (including by means of email in .pdf format), each of which will be deemed to be an original copy of this Trademark Assignment Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement and (ii) to the extent signed and delivered by means of scanned pages via e-mail, shall be treated in all manner and respect as an original contract and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. At the request of any party hereto, each other party hereto shall re-execute original forms hereof and deliver them to all other parties. No party hereto shall raise the use of email to deliver a signature or the fact that any signature or agreement was transmitted or communicated through the use of email as a defense to the formation of a contract, and each such party forever waives any such defense.
